

### **Institutional Policy for Learning Level of Assessment**

---

- Every year teachers of all the departments compile the record of the marks of students at the entry-level.
  - The students are sorted into the groups of high percentage, medium percentage, and low percentage. This is a baseline with the help of count marks of core subjects.
  - With the help of Class Tests in the first-semester assessment of the baseline is defined.
  - The subject teachers form the groups of slow learners and advanced learners and the information of the same is useful to handle the groups.
- 
- The remedial classes are planned by the departments for all the slow learners. Sometimes, One- to-one guidance is provided to the students.
  - Every Teacher engages lectures for problem-solving for slow learners.
  - Internal Unit Tests are helpful to assess the improvement of the slow learner students.
  - The slow learners give a positive response which is signified through their satisfactory results in the Internal Unit Test at the end of every semester.
  - For the advanced learners, projects, assignments like power-point presentations, paper presentations, etc. are assigned.
  - Advanced learners and slow learners are assigned to organize various National Seminars, Guest lectures, and State Level Debate Competitions, etc. for their soft skills development.
  - Students have mixed formal peer groups of advanced and slow learners to solve their problems related to study and teachers also support such groups and provide guidance when it is needed.
  - Advanced learners are motivated to appear for competitive examinations.
  - The college has been organizing SET/NET/GATE classes. The efforts done by Career Guidance and Placement Cell with the coordination of Remedial Coaching Committee are reflected in the bright results of college and the number of successful students in SET/NET/GATE examinations. Reading room facility available for preparation of the examination.
  - Advanced learners as well as slow learners are also motivated by providing them the information of the career options that promote the students to excel in their performance.
  - The advanced learners are guided to appear for various entrance examinations for scholarships and fellowships.
-

## Remedial Coaching Classes Annual Report 2020-21

Scheme of Remedial Coaching Classes is implemented for both Under Graduate and Post Graduate students of SC/ST/NT/DNT/OBS categories and Minorities to raise the level of comprehension of basic subjects, improvement of academic skills, strengthen the knowledge and attitude in the subjects. The subjects offered for the Coaching classes were Mathematics, Physics, Chemistry, Botany, Zoology, Fishery Sciences, English and Geology.

The Remedial Coaching classes were arranged without disturbance of regular teaching hours of the college which was convenient to the students. The whole teaching program was monitored by the committee in consultation with Heads of the concerned departments. This year online classes were engaged by well qualified and experienced teachers of our college. Soft copies of study material and various books were given to students. Students are motivated due to proper guidance. The results of above mentioned category students improved in these subjects. Every activity of this scheme is guided and well supported by the Principal of our college.

Dr.Mohseena Thaseen

The screenshot shows a Google Meet interface. At the top, the browser address bar displays 'meet.google.com/kzc-keug-ymx'. The main window shows a presentation slide titled 'VIRTUAL REALITY' with the following text:

Research Paper On  
**"VIRTUAL REALITY"**  
Submitted By  
**Miss. Biradar Shital Bhaskar**  
Handled By  
**Dr. Mohseena Thaseen**  
(Department of Computer Science)  
Submitted to  
**Shri. Ramkrishna Mission's Institute of Technology**  
Baramulla  
Noida  
2022-2023

Below the slide, the name 'shital biradar' is visible. A green notification box says 'Tracking Started 23 min 45s ago Click To Generate Rep...'. The bottom toolbar shows various meeting controls. The taskbar at the bottom includes icons for 'MSC-Seminar', 'Meet - kzc-keug...', 'localhost / 127.0...', 'WhatsApp', 'XAMPP Control ...', 'databasecreation...', and 'MSC-II Yr Sem-III ...'. The system tray shows the time '12:36 PM' and date '28-Jan-22'.

Vaibhavbarde

The screenshot shows a Google Meet interface. At the top, the browser address bar displays 'meet.google.com/kzc-keug-ymx'. The main window shows a presentation slide titled 'What is Virtual Reality?' with the following text:

**What is Virtual Reality?**

- Virtual Reality means feeling the imaginary(virtual) world, rather than the real one. The imaginary world is a simulation running in a computer.
- Virtual reality is the term used for computer generated 3D environments that allow the user to enter and interact with alternate realities.
- The definition of 'virtual' is near and 'reality' is what we experience as human beings.

Below the slide, the name 'shital biradar' is visible. A green notification box says 'Tracking Started 24 min 29s ago Click To Generate Rep...'. The bottom toolbar shows various meeting controls. The taskbar at the bottom includes icons for 'MSC-Seminar', 'Meet - kzc-keug...', 'localhost / 127.0...', 'WhatsApp', 'XAMPP Control ...', 'databasecreation...', and 'MSC-II Yr Sem-III ...'. The system tray shows the time '12:37 PM' and date '28-Jan-22'.

ShitalBiradar

This screenshot shows a Google Meet interface. The main video area displays a presentation slide titled "EDGE Computing" with a hand pointing at it. The presenter is identified as "Rutuja Kotgire". To the right, a "People" panel lists participants: Samreen Fatima, Sayali Pande, shital biradar, valbhav barade, Vaishnavi Tayade, and Yashodhara Khandare. A notification at the bottom states "Tracking Started 36 min 31s ago Click To Generate Rep...". The system tray at the bottom shows the time as 12:49 PM on 28-Jan-22.

Rutuja Kotgire

This screenshot shows a Google Meet interface. The main video area displays a presentation slide titled "PRESENTATION ON MACHINE LEARNING" by "OMKAR MAIYA". The presenter is identified as "omkar maiya". To the right, a "People" panel lists participants: omkar maiya, Pallavi Gaikwad, Quba Quseen, Rutuja Kotgire, Samreen Fatima, and Sayali Pande. A notification at the bottom states "Tracking Started 47 min 28s ago Click To Generate Report". The system tray at the bottom shows the time as 1:00 PM on 28-Jan-22.

Sayali Pande

## Nagesh Parve

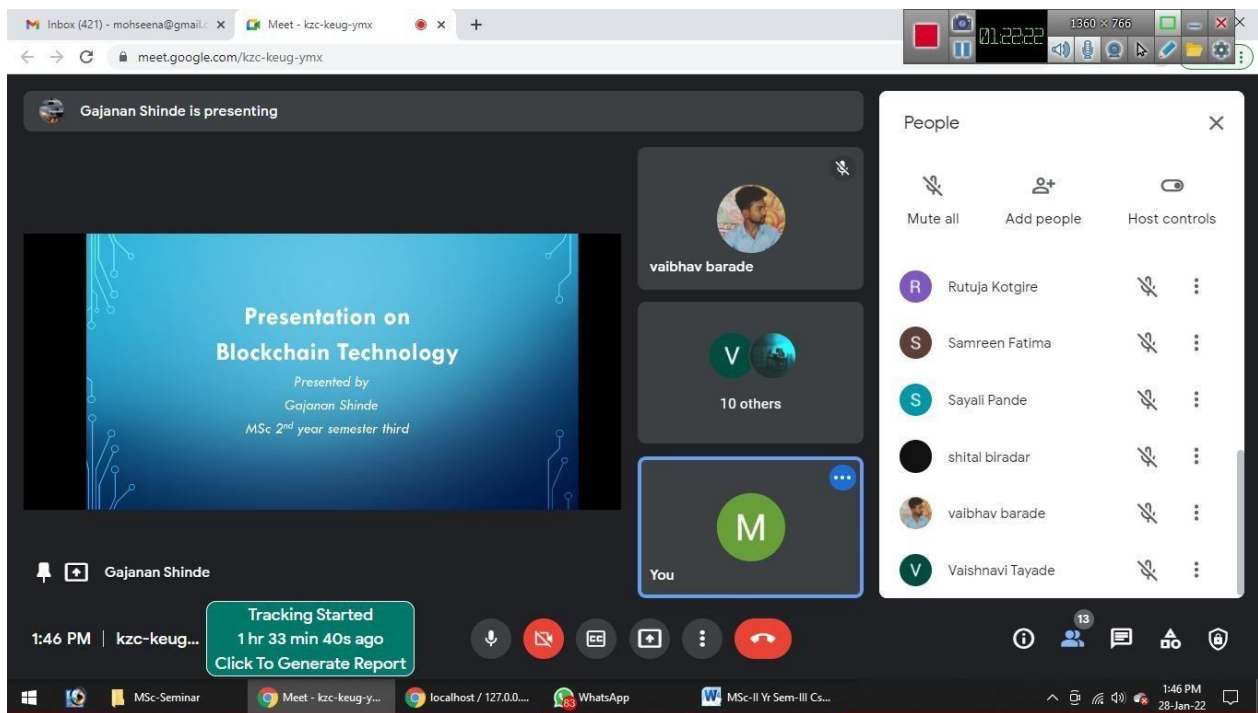

## Quba Quseen

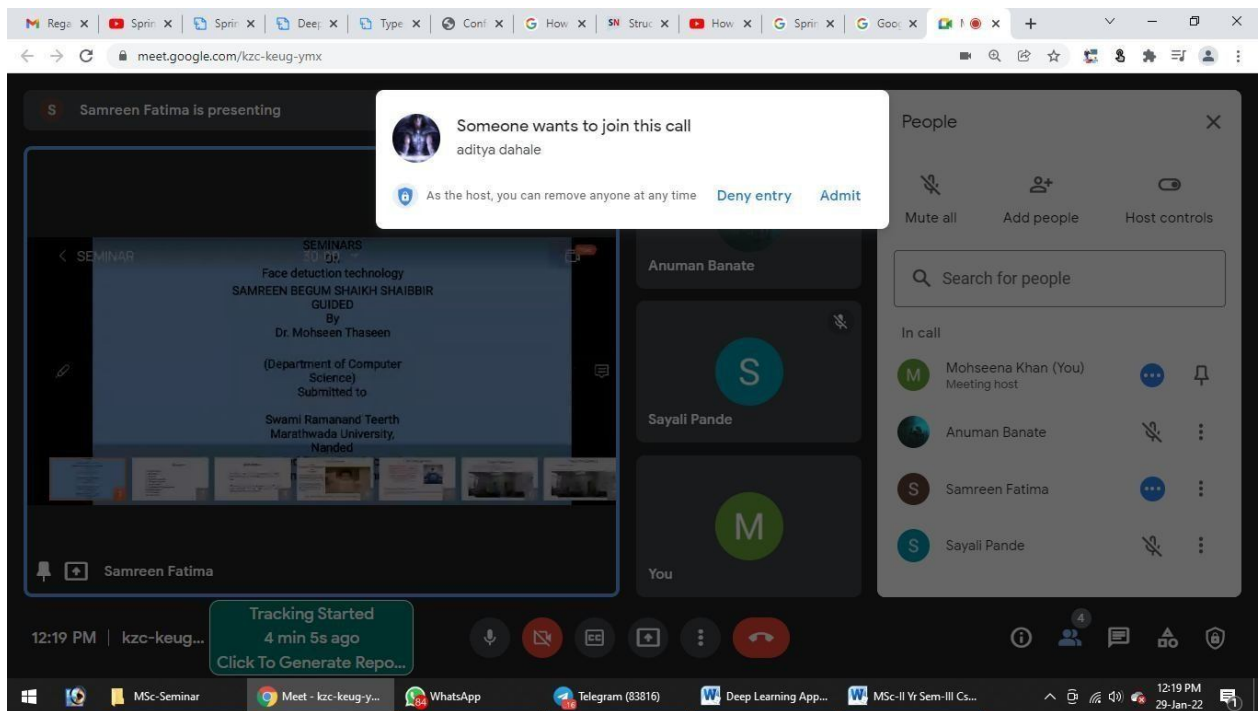

This screenshot shows a Google Meet interface. The main window displays a presentation slide titled "Seminar On 5G Technology" with a blue background and white text. The slide includes a logo at the top and text indicating it was submitted to Dr. Mohseena Theesha and by Ms. Yashodhara Rajshaj Khandare. A notification at the bottom of the slide reads "Tracking Started 1 hr 25 min 56s ago Click To Generate Report". The meeting controls at the bottom show a microphone icon, a chat icon, a screen share icon, and a red phone icon. The 'People' list on the right side of the screen includes the following participants: NAGESH PARVE, Pallavi Gaikwad, Quba Quseen, Rutuja Kotgire, Samreen Fatima, and Sayali Pande. The meeting title at the top is "Yashodhara Khandare is presenting". The system tray at the bottom shows the time as 1:38 PM on 28-Jan-22.

This is a duplicate of the screenshot above, showing the same Google Meet session. The presentation slide, meeting controls, and 'People' list are identical to the first image. The system tray at the bottom shows the time as 1:38 PM on 28-Jan-22.
