Mr Sandip Kage, Gondwana University, Gadchiroli. Dr Rahul Mapari, Government Vidharba Institute of Science, Amravathi. These experts in these six days highlighted the basic and advanced concepts in Mathematics subject which are in the syllabus of SET/ NET/ GATE examinations conducted by various agencies. They have given not only theoretical lectures but also practical knowledge of problem solving with suitable examples.

There are 52 participants from all over the Maharashtra state. I feel that this event will be beneficial to inspire and develop the competitive attitude among the students and teachers. I am sure that the discussion of the workshop will definitely encourage the mathematics students toward proper study and students will pass the SET/ NET/ GATE examinations. Hence I hope, the objectives of the workshop are achieved at some extent.

## Recommendations

1. Workshop should be organized in future of same type, so that students, young researchers will refresh their knowledge.
2. Long duration workshop should be arranged.
3. More lectures should be arranged on all topics.
4. Mathematics should be made easy rather than being treated as a difficult subject.
5. Workshop on SET/NET paper I should be arranged.
