**THE COLLEGE...**

People's Swami Ramanand Teerth established "Nanded Education Society" in 1950 for catalyzing educational revolution in backward region of this Marathwada. N.E.S. Science College, a single faculty college of Nanded Education Society is one of the premier institution imparting quality education to the students of this region since last 67 years. The college is always poised to offer emerging contemporary education to the learners to fulfill the need of society as well as to meet global challenges. This institution has been on the forefront in pursuit of academic excellence and has attained potential for excellence (CPE) status from UGC. The college is DST-FIST sponsored and recently awarded as BEST COLLEGE AWARD by Swami Ramanand Teerth Marathwada University, Nanded.

The main objective and mission of college is overall development of students in all respect like academic, physical, mental, spiritual and moral to build up good citizen for the Republic of India. The college offers 15 programmes at UG level and 30-subject combinations.

**ABOUT WORKSHOP**

N.E.S. Science College, NET/SET Guidance Cell is going to organize 7 days workshop on 1<sup>st</sup> common paper in NET/SET examination. These examinations require thorough knowledge besides some important tricks to solve logical and numerical multiple choice questions. Taking into view of above points our institute organized 7 days' workshop.

---

This workshop is designed according to NET/SET examination syllabi to help the aspirants. Limited number of participants are allowed and material will be provided along with question papers. Qualified and experienced professors are going to deliver their lectures with effective PPT. We have tradition of very good results in the NET/SET examination and excellent environment in the college. We try to give quality and standard study material along with effective teaching process. Hope large no. of participants will join us online.

## Publication of Crystallography Lab Manual, Department of Geology

The image shows a group of approximately ten people, including men and women, standing behind a table during a book launch event. They are holding certificates or documents. A banner in the background mentions 'Department of Geology' and 'Crystallography Lab Manual'. The setting appears to be an indoor event space.
