Brief Report

“Two Days National Level Hands on Training on HPTLC Technique”

High Performance Thin Layer Chromatography (HPTLC) a now days used by many students, researchers, faculty members and industry persons for analysis of different Plant materials, Pharmaceutical drug samples, etc. For knowing its principle, and actual mechanism of working, in departmental meeting we have decided to organize two days national level hands on training for different workers in this field. The program was organized in collaboration with Anchrom Enterprises (I) Limited Mumbai on 07 and 08 February 2023.

For making the publicity of the program a circular cum leaflet was prepared and it was circulated among UG, PG, research students including faculty members through social media. Individually some invitations were sent to interested participant colleges for their participation in the National level Hands on Training Program at Science College Nanded. More than 125 participants from all across were registered and participated in the training program.

At 10.30 am on 7th February 2023 the workshop was inaugurated by the auspicious hands of Hon. Vice-President of Nanded Education Society, CA. Dr. Pravin Patil in his inaugural speech he appealed that researchers should suppose to make use of HPTLC technology for doing research in the benefits of society. The program was coordinated by organizing secretary, Dr. D. M. Jadhav. Principle Dr. D. U, Gawai introduced college and explained in detail the about different instrumentations available in the central instrumental laboratory. He also appealed the participants to take benefits of these facilities available with our institute. Head of department Dr. B. D. Gachande introduced the department and enlightened different activities carried out by department. He also gave advice to participants to take part in the program organized by the department. Technical experts Mr. Atul Dhamankar introduced anchrom laboratories in brief. Vice Principal Dr. L. P. Shinde and Dr Mrs A. R. Shukle were also present on dais. Dr. V. R. Marathe, joint organizing secretary proposed vote of thanks of inaugural session.

After inaugural session Mr Aniket Jadhav from anchrom laboratories Mumbai delivered detailed plenary lecture on High Performance Thin Layer Chromatography Technique and its applications in different fields. The plenary lecture cum key note address was delivered in Purnamalji Lahoti Auditorium. Other faculties of department Prof P.S. Borkar, Dr. V. B. Chavan, Dr. P.G. Paul, Dr. R. V. Sangvikar, Dr. P.D. Satav, core teachers and CHB teachers including Mr Pankaj Hingmire, Mr, Sunil Darne, Mr, Rukamaji More, Mr, Sandip Kanshette, Mrs Saima Khamar, Miss Trupti Waghmare, Mrs Ruchita Padmukh, Mrs, Anupama Pundge, Miss Firdose Fatema Miss Patil Pooja, Miss Neha Kulkarni, Miss Neeta Dighe, Mrs Afreen Begum, and other UG and PG students of the department helped a lot in conduction of program.

After lunch the next program of hands on training was started. All participants were divided in to five batches such as batch A, B, C, D, and E. On first day hands on training program of two batches such as Batch A and Batch B were completed. On next day i.e on 08th Feb 2023 the training was started at 9.00 am and till 6.00 pm remaining batches such as Batch C, Batch, D and Batch E were given hands on training on HPTLC instrument. Total 132 participants have taken benefit of the training program. Finally certificate of participation was given to all registered participants.

The workshop was ended by expressing special thanks to technical experts Mr Aniket Jadhav and Mr. Atul Dhamankar.

ABOUT COLLEGE

Poojya Swami Ramanand Teerth established "Nanded Education Society" in 1950 for catalyzing educational revolution in backward region of Marathwada. Science College is one of the premier institute of this region. It is single faculty college imparting quality education to the students of this region since last 70 years. The college is always ready to offer emerging contemporary education to the learners to fulfill the need of society as well as to meet global challenges. This institution has been on the forefront in pursuit of academic excellence, Reaccredited with 'A' grade by NAAC with CGPA 3.38 and received college with potential for excellence (CPE) status from UGC. The college is under DST-FIST programme and recently awarded as Best College Award by Swami Ramanand Teerth Marathwada University, Nanded.

About Research centre

We have university recognized research centers in Botany, Mathematics, Chemistry, Physics and Zoology. Presently 110 research scholars presently pursuing their research work for Ph.D. Institution provides excellent facility with well equipped research laboratories at PG departments. College has also extended research facility to 34 research guides from different institutes of our university jurisdiction. From the inception, more than 180 students received Ph.D. degree under the able guidance of our faculty. College has well equipped Central Instrumentation Laboratory with following sophisticated instruments -

- HPTLC
- FTIR – Fourier Transform IR Spectrophotometer
- UV-Visible Double Beam Spectrophotometer
- Cooling Centrifuge
- Digital Live Imaging Microscope, PCR

Read about

genes LPAAL1 in clinical origin, or the contamination reservoir in the environment, signifies the increasing role in managing. Some researchers look at the other side of the picture, i.e. clinical AR is an endorsement by environmental bacteria and ARGs. They propose that ARGs that have been presented by clinical bacteria evolve from natural antibiotic-producing microbes and their competitors in natural habitats.^{11,16} Antibiotic resistance in humans is either hospital-acquired or community-acquired, eg. MRSA and VRE. MDR strains of *E. coli* and *A. baumannii* are increasingly being detected in community-acquired infections,^{12,17} though ARB occur commonly in hospitals, where they cause nosocomial infections.^{18,17} Of particular importance are ESCAPEE:

5716 | Mutation and Drug Resistance 2022-15

Discussion | **Mutuals et al**

bacteria,^{19,20} which are largely environmental or commensal, cause opportunistic infections in immunocompromised people, and are not pathogenic otherwise. They have intrinsic resistance to one or more antibiotics and acquired resistance genes for additional antibiotics as well.²⁰ Community risk for ARB can be effectively measured by analyzing wastewater carrying thousands of human specimens from the community, which in turn can lead to the detection of new or rare ARB as well.²⁰ Municipal wastewater treatment plants are AMR hot spots, as they harbor numerous fecal and environmental bacteria under the influence of subinhibitory concentrations of antimicrobial compounds.^{11,17} In one study, a small number of wastewater samples were used to elucidate diversity in all urban runoffs, endorsing the applicability of a small sample as a screening tool for the existence of ARB in

One Day Workshop on “Shevanti Cultivation and Conservation”

Brief report:

One day workshop on “Shevanti Cultivation and Conservation” was organized on 22nd August, 2022 at N. E. S. Science college, Nanded in collaboration with Amravati Garden Club, Amravati and Shri Shivaji Horticulture College, Amravati as a part of MoU signed.

Chrysanthemum is commonly known as Shevanti in Marathi language. It is the most cultivated garden plant after Rose. The main aim of this workshop was to create awareness about Chrysanthemum cultivation in the Nanded region. It also focuses on the types and varieties of various chrysanthemum.

Inaugural Function of the Workshop was started at 11.30 am. Program started with the floral tribute to Poojya Swami Ramanand Teerth. It was followed by the floral welcome of Guests. In the introductory speech Dr. Vishal Marathe, Organizing Secretary has briefly given idea about the concept of organization of program. He was focused on the importance of Shevanti cultivation and to create awareness among local peoples of Nanded region in gardening. Dr. D. U. Gawai, Principal, N. E. S. Science college, Nanded, in his speech he has given introduction of college and the facilities provided by the college for the students. He has also focused on how this workshop will be benefited for the students. The workshop was inaugurated by Dr. Shashank Deshmukh, Principal, Shri Shivaji Horticulture College, Amravati. In his speech, he has focused on importance and future of Shevanti cultivation. He has also talk on the work of Amravati Garden Club for the awareness in skillful gardening. He has motivated the students and gardener for the cultivation of Shevanti in their gardens and farms. This inaugural function was presided by CA Dr. Pravin Patil, Vice President, Nanded Education Society, Nanded. In his presidential address he has congratulate to the organizer for the organization of such workshop for the first time in Nanded region. Vote of Thanks of the Inaugural function was given by Dr. R. V. Sangvikar and Anchoring of the Program was done by Dr. D. M. Jadhav.

First session of the workshop was started with the first lecture on “Shevanti Cultivation and Conservation” by Dr. Suchita Khodke, Assistant Professor, Vinayak Vidhyan Mahavidyalaya, Nandgaon (Kh.) Dist. Amravati. She has given very nice and informative lecture on the various basic aspects regarding how to cultivate Shevanti, its types and how to conserve the germplasm etc.

PRINCIPAL
Science College, Nanded

Second lecture was organized on the topic “Shevanti Cultivation: Boon for Farmers” and it was given by Mrs. Shital Chitode,, Assistant Professor, Shri. Shivaji College of horticulture, Amravati. It was was much beneficial for the farmers and the students who wants to cultivate Shevanti at commercial level.

Second session was started after the lunch. This session was totally devoted to Practical based study. Hands on training on Shevanti cultivation was given by Mr. Anil Bhone, Shevanti Trophy Winner, Amravati. In practical session actual cultivation of Chrysanthemum has been demonstrated. He has given all the basic details of the Shevanti cultivation with actual Practical sessions like Pot mixture, how to cultivate Shevanti, cutting, pruning, sticking and transfer of saplings etc.

Total 42 participants were present for the workshop, it was much more beneficial for the participants which includes students, teachers, garden lovers and farmers.

In last session all the queries were discussed with guests and they were satisfying all the doubts raised by participants. Participants has given very nice and positive feedback for the organization of workshop. The workshop was end with the vote of thanks by Dr. V. R. Marathe.

Dear Madam,

N.E.S. Science College is one of the premier institutions imparting quality education to the students of this region since last 70 years. The college is gradually proliferating its academic facilities in view of growing needs of higher education. The institution has been on the forefront in pursuit of academic excellence and good governance.

Poojya Swami Ramanand Teerth was a great visionary leader of Hyderabad freedom movement and an architect of the accession. Swamiji envisioned education as an effective tool for the development of highly backward region of Marathwada. As per his noble vision, Swamiji along with other freedom fighters founded Nanded Education Society, Nanded for catalysing educational revolution in this backward region. As a right step towards fulfilment of the mission, Swamiji established Nanded Education Society's People's College Nanded in 1950 as a pioneer institute to impart education to then underprivileged and downtrodden people of this region.

Visualizing the future and the need of Science education in India, a separate science faculty was started in June 1951 by the society. Sensing the importance of science education in near future, the founders bifurcated People's College, Nanded and established a separate college for science education in June 1963 as N.E.S. Science College, Nanded.

The Vision of this institute is: **"To educate and transform the students to touch life at all points with human values"**.

NES Science College covers above 45 acres of land out of 85 acres of NES Nanded. The college has well established classrooms, laboratories, administrative blocks, auditorium, play ground, canteen, hobby workshop, Glass Blowing unit, ladies room, library lush green garden and open-air theater.

The college is serving the region and country generating manpower in the field of Science and Technology. The College had initially five courses, Physics, Chemistry, Botany, Zoology and Mathematics. Now the college has Ten additional courses at B.Sc., Electronics; Agrochemicals and

Vision: "To Educate and Transform the Youths to Touch Life at All Points with Human Values."

To,

Mr. Muralidharr Nara

Mouktik NASSCOM Engagements

Program Director

Hyderabad, Telengana.

Respected sir,

On behalf of NES Science College Nanded, We express our deepest gratitude to you for sanctioning our proposal for sponsoring and establishing a Digital Computer Laboratory in our College. This Lab will be definitely useful for our college students for improving their knowledge.

Your support will play a key role in our education system by reducing the digital illiteracy and to promote the development of education in our country by bringing the students in the proper education flow of the society.

It will help the students in a big way to achieve their dreams. The Digital Computer Laboratory equipments will help in computer education in order to make their life successful, happy and prosperous.

We look forward to a continuing partnership with you for making the dream of "Digital India" in truth.

Principal

Memorandum of Understanding (MoU)

Between

NASSCOM Foundation

and

Science College, Nanded

FOR THE DIGITAL LABS TO SUPPORT MARGINALISED YOUTH IN SEMI URBAN AND RURAL COLLEGES PROGRAM

This Memorandum of Understanding is made at Delhi on 16th March 2023.

BETWEEN

NASSCOM Foundation, a charitable trust registered under the Indian Trust Act, 1882 vide registration number :10479, Permanent Account Number AAATN4866D and having its registered office at A1-125, Lower Ground Floor, Safdarjung Enclave, New Delhi 110021, hereinafter referred to as "NF" (which term shall so far as the context admits be deemed to mean and include its successors, administrators, executors and assignees) of the First Part.

AND

Science College, Nanded located at Nanded, Maharashtra (India) hereinafter referred to as "**Science College, Nanded**" or "**the College**" (which term shall so far as the context admits be deemed to mean and include its successors and assignees) of the Second Part,

NF and **Science College, Nanded** are collectively referred to as the "Parties" and individually as a "Party".

WHEREAS, **NASSCOM Foundation** has agreed to partner with **Science College, Nanded**, for the setting up of digital labs under the **DIGITAL LABS TO SUPPORT MARGINALISED YOUTH IN SEMI URBAN AND RURAL COLLEGES PROGRAM** ("Program").

AND WHEREAS the **Program** is a CSR funded program for Creating sustainable skill building plans to support students from marginalised communities under Adobe's CSR Mandate and implemented by the **NASSCOM Foundation**.

NOW IT IS HEREBY MUTUALLY AGREED BY AND BETWEEN THE PARTIES HERETO AS FOLLOWS:

1. The College Responsibilities:

- 1.1. Shall nominate /Identify Director/ HoD, as the SPOC, with adequate accountability and responsibility to be the executive face of the Program in the college. This person must attend regular review calls at a mutually agreed frequency with NF for updates and assessments of the Project. This person shall ideally be a member of the college faculty.
- 1.2. The College Coordinate will be responsible for the following activities of the Project:
 - **Installation and commissioning** of the digital lab by 24th March, 2023.
 - **Impact Reporting** - Collecting & Uploading info needed like footfall, photos, milestones, outreach etc.
 - **Keyholding** - Responsible for keeping the digital lab open and accessible
- 1.3. Shall support with publicity of the Program through the college website.
- 1.4. Shall encourage the Program in a manner so that students will take part in the program on a voluntary basis with flexible timings.
- 1.5. Shall make available the infrastructure and value added services (including IT infrastructure, applications and connectivity) required to run the Program on its own cost.
- 1.6. Shall provide all the support services and facilities to NF and its partners for the said Program.
- 1.7. Shall coordinate with NF and its Partners and facilitate the conduct of events and other engagement programs as per shared plan.

Principal
N.E.S. Science College
Nanded

1.8. The college is capable of entering into this Memorandum of Understanding and has all the required permissions for the same.

1.9. Assets Ownership:

The assets provided under the Program shall belong to NASSCOM Foundation and shall be moved out of the College, if NASSCOM Foundation decides to discontinue its engagement with the college in the Program. Subject to any other terms and conditions laid down by NASSCOM Foundation, the College can continue to use the assets if:

- it agrees to sustain the Program without any funding support from NASSCOM Foundation;
- it agrees to maintain the brand name of the program as provided by NASSCOM Foundations separately in writing;
- It agrees to allow students access to the digital labs for ideation, learning and other related activities
- it agrees to opportunities to learn from NASSCOM Foundation's skilling and volunteering Initiatives
- it agrees to create sustainable skill building plans to support students from marginalised communities
- it agrees to facilitate the participation of students in events organized by NASSCOM Foundation and Adobe;

The performance of college on the above points will be monitored by NASSCOM Foundation regularly. The Program will be allowed to continue only on satisfactory assessment of the performance of College on the above points by NASSCOM Foundation. Decision of NASSCOM in this regard shall be final and binding.

2. NF Responsibilities:

2.1. Will supply the equipment for Digital lab

(List of the equipment attached as annexure 1).

2.2. Will keep the college informed of any changes in the program plan;

2.3. NF shall have no liability qua the equipment after the same have been supplied to the College.

3. Other Terms & Conditions for Engagement

The following are other terms and conditions of engagement:

3.1. Terms of engagement: This MoU is valid from date of execution to 31st March 2023, however both parties agree that based on mutual agreement, the terms may be extended. Both parties also agree that terms may be renegotiated.

Principal
N.E.S. Science College
Nanded

- 3.2. **Training Fees:** The College, NF and Partners will not charge any amount on whatsoever account/name from the students in relation to the Program
- 3.3. **Limitations and Warranties:** Both parties agree that it would be their endeavour to prevent any liability arising out of default or non-compliance of the MoU terms by the other party.
- 3.4. **Termination:** In case any party to this MoU commit any breach of the terms and conditions of this MoU or violates any statutory provisions or any Government or statutory guidelines or any guidelines issued by the controlling authority, then, in addition to any other remedy available as per law, the other party shall have the right to terminate this agreement by serving at least 15 days' written notice to the defaulting party. However, on such termination, both the parties shall continue to be liable to each other for completion of their mutual rights and obligations under this MoU, which were there on the date of the termination of this MoU.
- Both parties to the MoU reserve the right to terminate the MoU with one-month prior notice if in their opinion the Program is not being implemented as per the MoU or the specific aims.
- 3.5. **Branding:** Both parties shall not use the name and brand of other party or even that of Adobe in any advertisement or make any public announcement without the prior written approval of the respective party whose name is intended to be used in any advertisement or branding.
- 3.6. **Operational Responsibilities:**
- The Digital Lab maintenance and operations will be managed by the College.

4. General terms

- 4.1. **Indemnification:** Both parties agree to indemnify each other and hold the other party harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent, and trademark infringement, costs and attorneys' fees, arising out of or in connection with any acts or omissions of their agents or employees, as related to the terms of this MoU.
- 4.2. Any claim, compensation, case initiated by any student against NASSCOM Foundation/ Adobe in relation to the Program due to any acts or omissions of College shall be defended and contested by the College at their sole expenses and cost keeping NASSCOM Foundation / Adobe indemnified from the same.
- 5.3 **Waiver:** The rights and remedies provided to each of the Parties herein shall be cumulative and in addition to any other rights and remedies provided by law or otherwise. Any failure in the exercise by either Party of its right to terminate this MOU or to enforce any provision of this MOU for default or violation by the other party shall not prejudice such party's rights of termination or enforcement for any further or other's default or violation or be deemed a waiver or forfeiture of those rights.
- 5.4 **Severability:** If any section or paragraph, or part thereof, of this MOU or any document appended hereto or made a part hereof is rendered invalid, ruled illegal by any court of competent jurisdiction, or unenforceable under present or future laws effective during the term of this MOU,

Principal
N.E.S. Science College
Nanded

then it is the intention of the Parties that the remainder of the MOU, or any document appended hereto or made a part hereof, shall not be affected thereby unless the deletion of such provision shall cause this MOU to become materially adverse to any Party in which case the Parties shall negotiate in good faith such changes to the MOU, or enter into suitable amendatory or supplementary MOUs, as will best preserve for the Parties the benefits and obligations under such provision.

5.5 Amendment of MOU: The terms and conditions contained in this MOU may be amended or modified only with the mutual consent in writing of both Parties.

5.6 Relationship: The relationship between the Parties is that of principal to principal. Nothing in this MOU shall be taken as constituting a Party an employee or agent of the other Party. The Parties undertake that none of their respective employees and staff shall be construed in any manner, either expressly or by implication, as the employees or agents of the other Party and the other Party shall not be liable in any manner whatsoever for any claims, demands and the like made by them.

5.7 Limitation of Liability:

Except for the indemnification obligations, both parties agree that the liability would be limited to the amount of actual transactions between the two parties

6. Intellectual Property Rights

6.1 Neither Party shall be entitled to use the trademarks, logos or any intellectual property belonging to the other Party and its affiliates in any manner without prior written approval from the other Party. The ownership of all proprietary rights in relation to ideas / products developed created, in the maker labs will lie with the creator/creators of the said property.

7 Notices:

7.1 Any notices under this MOU will be sent by certified or registered mail, return receipt requested, to the respective address of Parties as contained in this MOU. Such notice will be effective upon its mailing as specified.

8 Force Majeure:

8.1 Neither party to this MOU shall be liable for any failure or delay on its part in performing any of its obligations under this MOU, if such failure or delay shall be result of or arising out of Force Majeure conditions and, provided that the party claiming Force Majeure shall use its best efforts to avoid or remove such cause of non-performance and shall fulfil and continue performance hereunder with the utmost dispatch whenever and to the extent such cause or causes are removed.

8.2 Any extraordinary event, which cannot be controlled by the parties, shall for the purpose of this MOU be considered as a Force Majeure event. Such events include acts of God, acts or omissions of any Government or agency thereof, compliance with rules, regulations or order of any Government Authority, pandemic, epidemic. Provided however, if either party claims that existence of any of the aforesaid conditions is delaying or disabling the performance by said party

Principal
N.E.S. Science College
Manded

of its obligations under this MOU, such party shall give immediate notice to the other party of the existence of such conditions whose existence are claimed to delay or disable the performance of obligations as aforesaid.

9. Governing Law and Jurisdiction:

This MoU shall be governed by the laws of India and the parties to this MoU hereby agree that the Courts at Delhi shall have exclusive jurisdiction to try any dispute or difference arising between the parties out of this MoU and the parties further agree that no other Courts shall have jurisdiction to decide any dispute between the parties, arising out of this MoU.

IN WITNESS WHEREOF, to show their assent, the duly authorized representatives of the parties hereto have signed the MoU and set their seals as below: -

A Report

Petroleum Conservation Research Association, Ministry of Petroleum & Natural Gas, Govt. of India, and Nanded Education Society's Science College, Nanded, Maharashtra, have organized as a joint initiative, an Institutional Training Programme on December 26, 2022, at 12:30 p.m. on the topic "Energy Sources for Sustainable Development." In this training programme, the resource person Mr. Kedar Khamitkar, Energy Auditor, External Faculty PCRA- Ministry of Petroleum & Natural Gas, GoI guided students in energy conservation and environmental protection. Principal Dr. D. U. Gawai was president of the function. Mr. Kiran Khamitkar was an invited guest for this event. Vice-Principal Dr. Aruna Shukla conducted the programme. IQAC Co-ordinator Dr. V. V. Kulkarni was the organising secretary. A poster titled "Energy Conservation Ideas in Industry and Business" was released to commemorate Energy Conservation Week, which runs from December 14th to December 20th, 2022, and a Memorandum of Understanding (MoU) was signed for future collaborative activities between the Petroleum Conservation Research Association, the Ministry of Petroleum and Natural Gas, the Government of India, and Nanded Education Society's Science College in Nanded, Maharashtra. Total 52 students were participated.

N.E.S. SCIENCE COLLEGE, NANDED

(Re-accredited by NAAC with 'A' grade (CGPA 3.38), CPE Status)

P.O.Box No. 62, Sneh Nagar, Nanded - 431605

Web: www.sciencecollgennd.org

About the College:

Poojya Swami Ramanand Teerth established "Nanded Education Society" in 1950 for catalyzing educational revolution in backward region of Marathwada. N.E.S. Science College Nanded is one of the premier institutes of this region. It is single faculty college imparting quality education to students of this region since last 67 years. The college is always ready to offer emerging contemporary education to learners to fulfill needs of society as well as to meet global challenges. This institution has been on the forefront in pursuit of academic excellence; reaccredited with A grade by NAAC with 3.38 CGPA and received College with Potential for Excellence (CPE) status from UGC. The college received DST-FIST programme and recently awarded as best college award by Swami Ramanand Teerth Marathwada University Nanded.

About WARSA Society:

WARSA: Ethnic Knowledge Heritage Society is registered NGO working for Tribal and Rural Communities.

Our Traditional / ethnic knowledge is vast, touching every angle of life. Main objectives of the society are to create awareness about this knowledge, its documentation and to provide research based strong foundation to our activities. Cultivation of medicinal plants, their standardization, authentication of traditional health practices and to make efforts to provide authorized certification to the traditional healers is our aim.

Another rich area of our traditional culture is wild edibles. Creating awareness about their uses, nutritional evaluation of these edibles and their cultivation is important objective.

All these activities will be carried out in collaboration with Government, Non Government organizations, colleges, registered and private limited related companies. All executive members of the society are botanists working on different aspects of the subject related to aims and objectives of the society.

About Botany Department:

The department has adequate infrastructure with spacious laboratories; research laboratory cum plant disease clinic. Department has well established Botanical garden, medicinal plant garden and Green House for maintenance of some endangered plants, museum enriched with many rare specimens. Sixty four students of the department awarded Ph.D., more than 350 research papers published so far. Presently seven research guides are supervising twenty students for their Ph.D. degree. Tradition of Gold Medals and merits from the university is maintained every year. Significant number of major and minor research projects are completed by the faculties of the department. Department runs four post graduate programs out of which PG innovative program 'M.Sc. Herbal Medicine' is one funded by UGC, New Delhi.

Objectives of Workshop

- To develop interest in medicinal plant research.
- To train the faculties and research students for identification of medicinal plants.
- To develop awareness about cultivation practices of medicinal plant.
- To know the importance of authentication of medicinal plants.
- To awareness about conservation of medicinal plants.

Programme Schedule

Date: 17th Feb. 2023

Time	Event
9.00 am to 10.00 am	Registration
10.00 am to 11.00 am	Inaugural Function
11.00 am to 12.00 noon	Key Note address – Dr. P. Y. Bhogaonkar Topic: Pharmacognostic Characterization of Medicinal plants

Total No. Participants : 54

ONE DAY WORKSHOP

ON

(Life Skills, Yoga and Meditation)

Sri. Sri. Ravi Shankar Art of Living Centre Nanded and Science College jointly organized “**One Day Workshop on Health and Happiness**”.

Shri. Shiva Birkale, Youth and Sri Sri Yoga Zonal Co-ordinator, 'Art of Living' guided on this occasion:

He talked on clarity of thoughts needed for decision making and concentration which is required to improve productivity of youths. In his opinion, soft skills and life skills are helpful to know your abilities, acquire a value-education, and train your mind to focus. It is also necessary for learning how to overcome your problems, stop overthinking, and feel the present. He also guided students to train their minds for challenging situations like job interviews and important presentations. He interacted with students and, through various games, conveyed his message successfully.
