VISION:

The Vision of the Alumni Association is to help and advance alumni in their pursuit of excellence, to maintain friendships formed at the NES Science College, to build strong and mutually beneficial ties between the NES Science college and its diverse alumni, to promote goodwill in the community, and to develop a dynamic alumni program that will stimulate interest, build loyalty, increase involvement, and generate support for the NES Science college.

N.E.S. Science College's alumni, as well as its students and professors, have a goal to enrich their lives and possibilities.

MISSION:

To encourage members' lifelong learning, to recognize and affirm NES Science College, mission and values as they are lived by alumnae, and to promote ongoing, mutually life-giving relationships between NES Science College alumnae and the current College community, including mentor relationships, alumnae networks, and fund raising efforts for the NES Science College.

- Maintain a long-term relationship with its Alma Mater
- Encourage engagement between and among alumni
- Extol the accomplishments of its alumni, and
- Provide gratifying opportunities for Science College, alumni to help the College, its teachers, and its students.

The Institute's performance is assessed in part by the quality of its alumni relations.

OBJECTIVES:

NES Science College, Alumnae/I Association Board's objective is to promote Institution vision and mission to its alumni. Members of the Association extend an invitation to alumnae by sharing the ideals, support, expertise, and strength that they have developed over the years.

1. To preserve a list of every college alumni and their pertinent information.
2. Keeping all alumni's information up to date and current.
3. Encouraging, nurturing, and promoting close relationships among graduates.
4. Maintain a sense of connection to the Alma Mater among Alumni by keeping in touch with them on a regular basis through social media
5. To give and spread information to their Alma Mater's alumni on its graduates, faculties, and students.
6. To aid and support Association efforts to collect development financing.
7. To mentor and assist alumni who have recently finished courses at the NES Science College in order to keep them engaged in productive endeavors that benefit society.
8. To provide a platform for interaction between alumni, present students, faculty of the college and college administration.
9. To carry out the following-
 - a) Help deserving people and charitable causes.
 - b) Function as visiting / guest faculty for the students.
 - c) Help students in their internship and placements.
 - d) Conduct meeting of educative topical value by inviting eminent personnel to address them.
 - e) To conduct competitions, seminars and workshop for the students.
 - f) Assist the Alma Mater in conducting friendly meet – (Reunion).

		Mr. S. F.GORE Asst. Professor NES Science College , Nanded

(NES President's Message)

Dr. Venkatesh kabde

Dear Friends,

It is indeed my privilege to address the Alumni of this historical institution founded by Pujya Swami Ramanand Teerth in 1950 and nurtured by *Padmavibhushan* Govindbhai Shroff.

I would like to reiterate the lofty aims of this institute as enunciated in the preamble of constitution of Nanded Education Society. These include seeking newer horizons of knowledge and, while doing so, work for those who are lagging behind in society. I can humbly say that over the span of twenty years of my term as President. The managements have strived to live up to this aim of institution. The present and future managements, I am sure will keep this vision in the forefront. We are naturally proud of our Alumni and their achievements in different walks of life. This mother institution is always at the back of their minds, whatever may be their field of working. We wish and pray that you get the best in life and may your lives radiate with happiness and satisfaction.

We believe that Alumni have great potential. I have no doubt in my mind, that this mother institution has injected spirit of excellence, honesty and sacrifice in you during your stay in this college campus.

I admit that we have been somewhat slow in Keeping in touch with you. The present Executive Body has decided to expedite contact with ex-students and organize events of mutual interest. The bulletin is one small step in that direction.

We look forward to your active association with this mother institution. We will always welcome your suggestions to improve academic standard and campus development.

With best wishes to you and your family

Sincerely yours
Dr. Venkatesh kabde
President
Nanded Education Society, Nanded

(Alumni Association President's Message)
NES Science College, Principal Dr. D.U. Gawai

Dear Colleagues,

It is a privilege to serve as President of the NES Science College Alumni Association; I appreciate the assistance and support of all the alumni, students, faculty each of whom offers a unique set of skills and experience to our institution.

Our Alumni Association's aim and devotion remain the same: to keep our alumni linked to our college and with one another, as well as to support future students. As we move forward, our goal will be to build on old traditions, create new ones, and refocus our efforts to build on a strong history and foundation.

Our Alumni Association is actively supporting the Association to conduct and promote various activities.

I believe that each one of us, alumni of this beloved college would always like to reconnect with our alma mater, and each time, we would like to do so with pride and belongingness.

With best wishes

Sincerely yours

Dr. D.U.Gawai
President
Alumni Association,
NES Science College, Nanded.

(Alumni Association Secretary Message)

Dr.L.P.Shinde

Dear Colleagues,

Alumni Association is working since 2004 and registered with the Assistant Charity Commissioner office, Nanded Division Nanded on 04-08-2021. The association is also registered as –Society with Assistant Register of the society , Nanded Division , Nanded.

Science College Alumni association is governed by College Principal Prof. Dr. D. U. Gawai as President and Prof. Dr. L.P. Shinde as Secretary

In recent years, the phrase "alumni association" has been broadened to include former workers of corporate organizations that use the association to increase recruiting, sales, and business possibilities with their formerStudents NES Science College have, the created Maize , --**The ESSENCE “OF SCIENCE**|| eventually brought the Alumni group alive

Once a year, the Association is planning to hosts a Felicitation function to honor exceptional Alumni and present awards for the Best Former, Best Research Worker, and Best Extension Worker. Alumni of the University of Science College Alumni Association are welcome to join in the Association's events and use the facilities for a minimal fee.

With best wishes...

Dr. L. P. Shinde Secretary
Alumni Association,
N. E. S. Science College, Nanded.

Science college has been one of the major milestones of my life. It played a very important role in shaping my career over the later decade. This institution introduced me, a simple student to all the possible academic paths with guidance from its excellent faculties. They play a major role in the success of this college year after year. Not only the academics but the college also has some of the best sports facilities in the state. The college itself is surrounded by greenery and instills a calm and peaceful environment. It is an honor to be an alum of this prestigious institution.

आयुष्य जडणघडणीत जितका वाटा आई-वडिलांचा आहे अगदी तीतकाच वाटा मी माझ्या महाविद्यालयाचा समजतो. त्याग व सदाचार हा मला सायन्स कॉलेजमधून मिळालेला मुख्य ठेवा आहे. जो आयुष्यभर एक चांगला नागरिक म्हणून जगण्यास खूप उपयुक्त असेल.

शिक्षणाचा अर्थ म्हणजे नोकरी असा मूळीच नसतो हा बाबासाहेबांचा विचार मला माझ्या महाविद्यालयात तंतोतंत बघायला मिळाला. आपल्या आवतीभोवती असणाऱ्या लोकांचा व नागरिकांचा आपल्यावर प्रभाव असतो व त्याचं आपण काहीतरी देणं लागतो ही भावना संगळ्यांनी महाविद्यालयात शिकवली त्याच शिकवणीवर चालल्यावर जीवन हे नक्कीच सुखकर असेल.
