THE COLLEGE...

Poojya Swami Ramanand Teerth established “Nanded Education Society” in 1950 for catalyzing educational revolution in backward region of this Marathwada. N.E.S. Science College, a single faculty college of Nanded Education Society is one of the premier institution imparting quality educations to the students of this region since last 67 years. Swamiji in his vision of society emphasized the incorporation of spirit of enlightened and responsible citizenship in youth, essential for secular democratic India. The college is always poised to offer emerging contemporary education to the learners to fulfill the need of society as well as to meet global challenges. This institution has been on the forefront in pursuit of academic excellence and has attended potential for excellence (CPE) status from UGC. The college is DST-FIST sponsored and recently awarded as BEST COLLEGE AWARD by Swami Ramanand Teerth Marathwada University, Nanded.

The main objective and mission of college is overall development of students in all respect like academic, physical, mental, spiritual and moral to build up good citizen for the Republic of India. The college has lush green campus of 45 acres of land for curricular and co-curricular activities for stakeholders. The college offers 15 programs at UG level and 30-subject combinations. To keep pace with the advancement and diversification in the field of science and technology some applied subjects like integrated Computer Science, Biotechnology at UG, M.Sc. Biotechnology; and Herbal Medicine at PG level have been introduced.

Department of Chemistry :

Department of chemistry has eight well equipped laboratories for UG & PG students and one research lab . The department maintained storeroom , preparation room ,and balance room .The research scholars uses instrumentation lab as well as research lab to pursue their difficulties in their Ph.D work .

The Department has well Sophisticated instruments like UV Spectrophotometer ,colorimeter ,polar meter ,conduct meters, pH-Meter , digital balance , Rota cooperators,

incubation , heating mantle ,thermostat, water distillation plant , microwave oven, Gas Plant

A well furnished Multimedia lecture halls with plasma T.V, the faculty of department has actively involved in research work and , the major thrust area of research are synthesis of heterocyclic compounds complexes and environment chemistry

The Department has established linkages with various reputed institution all over the india .Department Has record of producing more than 50 Ph.D , faculty published research journal articles more than 170 Journal article .

About the Faculty Development Program (FDP)

The study and application of tools and procedures for separating, identifying, and quantifying materials is known as analytical chemistry. Separation, recognition, and quantification can be utilized on their own or in conjunction with other practice techniques.

- Description of samples received (major commodities) for testing: (Custom Tariff Chapter 1-98)
- Vegetable Oils & Fats
- Ores & Minerals- Iron ore, etc.
- Petroleum Products - Mineral oils, Waxes,
- Coke and Coal etc.
- Chemicals & Formulations
- Pharmaceutical Products
- Fertilizers
- Paints, Varnishes, Dyes
- Soaps & Detergents
- Plastics & Polymeric Formulations, Rubber & Rubber products.

- Textiles- Silk, Cotton, Polyester, Viscose, Nylon, Acrylic, Wool etc.
- Metals & Alloys- Iron, Copper, Aluminium, Zinc, Steel etc.
- Narcotic Drugs and Psychotropic Substances
 - Ganja
 - Charas
 - Ketamine
 - Heroin
 - Amphetamine, Methamphetamine,
 - Ephedrine, Pseudoephedrine,
 - Opium,
 - Methaqualone, LSD
 - Analysis of Vegetable Oils & Fats
 - Structure of oils
 - Ores & Minerals- Iron ore, Copper ore, Titanium dioxide, Clay etc
 - BOMB CALORIMETER

Objective of FDP:

1. Conventional and Instrumental analysis of various samples, will be covered in this FDP
2. To train the participants in their early stage of research, to carry out analytical abilities in chemistry recent techniques in order to achieve high degree of productivity.

many poisonous heavy metals, lead is the most widely used for various uses in electrical products, resulting in a number of health risks due to environmental pollution. Lea Children are more vulnerable to lead poisoning because they ingest more lead from their surroundings and their nervous system and blood are affected, more so than

adults. E-waste disposal practices have been shown to have led to increased levels of blood lead in

As society is in still unaware its this danger however eco-friendly committee decided to conduct one day international awareness of workshop on E-Waste and Its Management

Call for Participation:

All the participants were informed by whatsapp message, which includes telegram chat link for further information of the event and circular attached to it. However message was circulated, with an overwhelming response .to this E-Media and social media platform

Preparation and Planning Meeting Conducted

Pre-preparation meetings were conducted ,main agenda were work distribution among the working Organizing meet , Two Meeting were conducted and demo was conducted on 10th May 2022 for expecting technical issues rectification if any arises

1. Anchoring Team was Headed By Dr.Mohseena Madam
2. Technical –Regarding Social Media Messages and queries / Registration /Feedback /Telegram Link /Certificate/E-Content/ Letters for Keynote speaker/ resource person invitation/thanks letters was headed By Dr.Mohseena Madam
3. Hosting and Live Streaming live session was headed By Mr.Ghatole Ganesh
4. Resource Speaker Managing was headed by Prof .Shinde L P & Prof Bansode A.S
5. Setting arrangements /Recording Tools /Schedule headed by Pro Bansode A.S

First Meeting was conducted at, NES Science college at 1.00pm the **main minutes of meeting** was - progress of preparation of One-Day National Faculty Development Program (FDP) On Recent Trends in Analytical chemistry (Conventional and Instrumental analysis of various samples)Management was discussed, the difficulties were brought forwarded was resolved by Co-Convenor and Convenor Principal sir

Meeting was attended by

1. Prof..Bansode A S
2. Prof.Shinde LP
3. Dr.Mohseena Thaseen

The Message circulated among the participants for registration

Excellent

Very informative session

Successful and Experienced Session

No suggestions, it was good

Try & arrange webinars in synthetic organic chemistry as well

It was Perfect.

NA

It was a very excellent and very informative lecture I loved it as I got to know so many new things.

Impressive session

Subject: Obligated for Resource Person Speaker on One-Day National Faculty Development Program (FDP) On Recent Trends in Analytical chemistry (Conventional and Instrumental analysis of various samples)

Dear Sir,

We would like to take this opportunity to express our heartfelt thanks to you for giving support as Resource Speaker One-Day National Faculty Development Program (FDP) On Recent Trends in Analytical chemistry (Conventional and Instrumental analysis of various samples)" organized by Department of Chemistry , NES Science College, Nanded, Maharashtra on 17th May 2022.

This FDP received an overwhelming response from different states of India. We appreciate your extended support in promoting the event at national level. Your contribution in delivering the sessions is remarkable for making this FDP as a successful event.

The participants were all delighted and thankful for the event. They learnt a lot about various Analytical chemistry- Conventional analysis and how Science can help us to solve these challenges.

Thank you and we hope that we will have a long association with you.

THE COLLEGE...

Poojya Swami Ramanand Teerth established "Nanded Education Society" in 1950 for catalyzing educational revolution in backward region of this Marathwada. N.E.S. Science College, a single faculty college of Nanded Education Society is one of the premier institution imparting quality educations to the students of this region since last 67 years. The college is always poised to offer emerging contemporary education to the learners to fulfill the need of society as well as to meet global challenges. This institution has been on the forefront in pursuit of academic excellence and has attended potential for excellence (CPE) status from UGC. The college is DST-FIST sponsored and recently awarded as BEST COLLEGE AWARD by Swami Ramanand Teerth Marathwada University, Nanded.

About Department

Department of chemistry has publicized consistent academic growth. Further addition of Analytical Chemistry subject at B. Sc. level was introduced to procure Analytical Chemists as industrial employment.

In the year 1996 Post graduation(PG) in Chemistry was introduced as M. Sc. in Analytical Chemistry. The highly experienced faculty and research credentials of the department are imparting

About the FDP:

The study and application of tools and procedures for separating, identifying, and quantifying materials is known as analytical chemistry. Separation, recognition, and quantification can be utilized on their own or in conjunction with other practice techniques.

Objective of FDP:

1. Conventional and Instrumental analysis of various samples, will be covered in this FDP
2. To train the participants in their early stage of research, to carry out analytical abilities in chemistry recent techniques in order to achieve high degree of productivity.
