The Indian Botanical Society

Welcome to Official Website of The Indian Botanical Society

The Indian Botanical Society had its inception in a resolution passed by the Botany Section of the Indian Science Congress at the Nagpur meeting in January, 1920. A Committee of organisation was consequently formed to carry this resolution into effect. This Committee consisted of the late Dr. P. Bruhl of the University College of Science, Calcutta, the late Rai Bahadur K. Rangachariar of the Agricultural College, Coimbatore, the late Rai Bahadur Prof. Shiv Ram Kashyap of the Government College, Lahore, the late Prof. Birbal Sahni, then of the Banaras Hindu University, Varanasi, Dr. W. Burns, then of the College of Agriculture, Poona and the late Dr. Winfield Dudgeon of the Ewing Christian College, Allahabad, with Dr. Dudgeon as Chairman.

The Indian Botanical Society

The Indian Botanical Society had its inception in a resolution passed by the Botany Section of the Indian Science Congress at the Nagpur meeting in January, 1920.

The Journal of the Indian Botanical Society welcomes original research papers including short communications and critical scientific reviews highlighting present status and an overview of the past work on topics of current interest. All the authors of an article must be active members of the Indian Botanical society.

ABOUT THE INDIAN SCIENCE CONGRESS ASSOCIATION (ISCA)

The Indian Science Congress Association (ISCA) owes its origin to the foresight and initiative of two British Chemists, namely, Professor J. L. Simonsen and Professor P.S. MacMahon. It occurred to them that scientific research in India might be stimulated if an annual meeting of research workers somewhat on the lines of the British Association for the Advancement of Science could be arranged.

From this modest beginning with hundred and five members and thirty five papers communicated for reading at the first session, ISCA has grown into a strong fraternity with more than Forty thousand members till to date.

AIM & SCOPE

Biotechnology is one of the emerging fields that can add new and better application in a wide range of sectors like health care, service sector, agriculture, and processing industry to name some. This book will provide an excellent opportunity to focus on recent developments in the frontier areas of Biotechnology and establish new collaborations in these areas. The book will highlight multidisciplinary perspectives to interested biotechnologists, microbiologists, pharmaceutical experts, bioprocess engineers, agronomists, medical professionals, sustainability researchers and academicians. This technical publication will provide a platform for potential knowledge exhibition on recent trends, theories and practices in the field of Biotechnology. Aim of the research articles are invited in the following areas of interest, but not limited to

Bioprocessing Techniques

Biocatalysis

Bioseparation

Bioreactors

Bioenergy

Recombinant DNA

Cell Fusion

Bioremediation

Biomarkers

Biofuels

Fermentation Technology

Applications with Technology Support

Clinical Engineering

Rehabilitation Engineering

Neural Systems Engineering

Cardiac Bioengineering

Physiological System Modeling

Instrumentation, Sensors, and Measurement

Bio-signal Processing

Biomedical Images and Signals

Medical and Health Informatics

Bioinformatics (including Genomics)

Author Benefits

1. Peer reviewed publication
2. Selected chapters will be indexed in RSquareL and other indexing platforms including Amazon, Google Books etc.
3. Dual mode publication (One as an edited book with ISBN and another one as a Journal paper with ISSN)
4. DOI allotment to each chapter
5. Open access mode of publication in IIP Digital library
6. Optimised searching options to increase the visibility of the work to readers and other researchers which helps in citations
7. Unique dashboard to Author
8. Easy paper / chapter management system with transparency of the process including peer review
9. Adds points to API as per NAAC & NBA (India) and other accreditation bodies from abroad

Date: 17 January 2022

To Whom It May Concern:

Official Letter for the IAENG Membership

Member Name: KISHOR RAMRAO GAIKWAD

Member Number: 115213

IAENG is a non-profit international association for the engineers and the computer scientists. IAENG has been found by a group of engineers and computer scientists from over thirty different countries. Our goals are to promote the co-operation between the professionals in various fields of the engineering and to cultivate an environment for the advance and development of the technology. Our objectives include:

- Promoting the interactions between the engineers;
- Advancing the application of engineering techniques from the academics to the industry;
- Facilitating the exchange of information and ideas among the engineers and scientists freely.

This letter is to certify that the above person is an IAENG member. For the information about IAENG Membership, please visit our website <http://www.iaeng.org/membership.html>

If you have any question, you are very welcome to contact us at any time.
