Policy on Green Campus/Plastic Free Campus

The College has GREEN (Grass Roots Environmental Efforts Now) Policy as its heritage and it also has created proper system to preserve this glory as follows:

- College has well-known Botany department which has cultivated unique Botanical and Medicinal gardens, floral and fruit gardens and green house on campus.
- These gardens are live botanical Laboratories for the students and environmental wealth of the institution.
- In addition to this, The College has constituted 'Eco-friendly Committee' in year 2015 headed by Dr. L. P. Shinde and directed by Principal Dr. D. U. Gawai.

Objectives of the Committee:

- Eco-friendly Committee takes the lead for the environment review of the college Campus.
- The committee implements sustainable practices in the college to make the college campus green, clean and beautiful.
- It makes awareness of Solid Waste, Chemical Waste, and Electronic Waste in the college.
- It strives to make all stakeholders eco-friendly in order to create awareness among the students, teachers and all who are associated with our college.
- It tries to implementing measures to "Zero discharge Campus".
