(i) Suggestions are given by students on Courses run by college:

1. Some papers like Machine learning, Python programming language, virology, plant pathology, astrophysics, health and physical education and coding are to be added in the courses.

(ii) Action Taken on the suggestions:

All the suggestions are forwarded to the Principal and IQAC coordinator and following actions are taken over the suggestions.

1. The courses like health and physical education are already started.
2. Papers suggested by students are forwarded to corresponding faculties. Faculties will suggest these papers in BOS meeting for the addition of these papers in the curriculum.

(2) Analysis of feedback regarding Teacher by students:

Aspects	Type of stake holders(Alumni /Parents/ Employers/ Students)	Total number of respondents	No of Responds			
			Excellent	Very Good	Good	Satisfactory
Lectures Conducted	Students	29	09	07	13	00
Syllabus covered by teachers	Students	29	06	07	15	00
lectures conducted as per the time table	Students	29	11	03	15	00
black-board writing	Students	29	10	06	13	00
Illustration of Fundamentals	Students	29	10	05	14	00
command of teacher over the subject	Students	29	10	05	13	01
Well prepared and well-organized lectures	Students	29	08	06	15	00
Interactive Lectures	Students	29	09	06	11	03
communication skill of the teacher	Students	29	09	06	13	01
Enthusiasm of teacher about the teaching	Students	29	08	07	11	03
Motivation to study new concepts	Students	29	10	05	11	03
assignment assigned and tests conducted was challenging	Students	29	07	05	16	01
Fair evaluation of examinations conducted	Students	29	08	04	17	00
Accessibility of teacher	Students	29	08	06	15	00
Use of ICT	Students	29	05	09	12	03

(i) Suggestions given by students:

Most of the students are satisfied with the teaching of most of the teachers. Students are satisfied with the discipline and punctuality of teachers.

Following suggestions are given by students.

1. Teacher should provide extra knowledge and more study material to the students.
2. More focus should be on practical knowledge and skill based program and certification course should be taken by chemistry and microbiology department.
3. Teacher should use ICT in teaching more frequently.
4. Up gradation of Laboratories.

(ii) Action Taken on suggestions:

The suggestions given by students are forwarded to the Principal and IQAC coordinator.

Following actions are taken on the suggestions given by students.

1. Teachers of college provide extra knowledge through remedial coaching
2. Teachers of college provide good study material to students.
3. Use of ICT in teaching is increased.

(3) Analysis of feedback regarding college by students:

(i) Any other suggestions given by Students:

Most of the students are satisfied with the library, sports and laboratory facilities available in college. Following suggestions are given by students regarding different facilities that are available in college.

1. There is a chance to make facility of cold drinking water, especially in summer.
2. Parking facility should be improved.
3. Give free Wi-Fi Facility in campus.
4. Organization of career related programs
5. To arrange more number of Campus interviews for students
6. Break time (Interval) should be increased

(ii) Action taken on the suggestions:

All the suggestions given by students are forwarded to the Principal and IQAC coordinator. Following actions are taken over the suggestions given by students.

1. Cold drinking water Facility is improved.
2. Internet Cafe is made available for students
3. Almost all departments have free Wi-Fi facility.
4. Campus interviews are arranged for students.

(i) Suggestions given by Faculty:

(1) To increase the ICT facilities.

(2) To organize professional training programme for the faculty.

(3) To improvise canteen facility.

(ii) Action taken on the suggestions:

(1) Two smart classrooms are established as per suggestions of faculty.

(2) FDP and hands on training organized.

(3) Expansion of Physical structure of canteen.

E. Suggestions given in the feedback by Alumni about the course:

Feedback of Alumni is collected regarding the courses taught during their tenure in the college based on the 4-point scale as shown on the following parameters:

(Not Satisfactory: 0-1, Satisfactory 1-2, Good 2-3, Very Good 3-4)

- All Alumni has completed their Graduation and Post-Graduation from college. Some Alumni was Research Students of College.

Attributes	Type of stake holders(Alumni/ Parents/ Employers/ Students/ Faculty)	Total number of respondents	No of Responds			
			Very Good	Good	Satisfactory	Not Satisfactory
1. Course Content	Alumni	86	32	32	20	02
2. Availability of reading material (Library/Internet/Others.	Alumni	86	25	34	22	05
3. Use of Innovative teaching methods (Group discussion, field exercises, role play & others)	Alumni	86	24	35	22	05
4. Learning value (in terms of knowledge, concepts, manual skills, analytical abilities, and in broadening one's perspective)	Alumni	86	25	32	26	03
5. Overall Rating	Alumni	86	28	33	20	05

(iii) Any other suggestions given by Students:

- Students are satisfied with the online teaching conducted by most of the teachers.
- Students have faced the problems such as network issues, concentration in classes, Practicals learning and examination dilemma during the COVID -19 Pandemic.

Following suggestions are given by students regarding different facilities that are available in college.

1. Separate drinking water facility for boys and girls.
2. To develop methodology of learning the Practical during Pandemic
3. To strengthen departmental library for PG students.
4. Renovations of some laboratories are needed.
5. To develop methodology of learning the Practical during Pandemic.

Action Taken Report

All the suggestions given by students are forwarded to the Principal and IQAC coordinator. Following actions are taken over the suggestions given by students.

1. Drinking water Facility is improved.
2. Cleanliness is maintained in toilets and college campus.
3. Departments have established the departmental library.
4. Internet resource center is made available for students
5. More resources/ books are added in library.
6. COVID -19 instructions are followed to the optimal extent.
7. ZOOM Meeting Application is purchased by college for online teaching.

(iii) Problems faced by faculties while conducting the online classes.

(1) Network problems while conducting the classes from student's side.
(2) Practical conducted in online mode were less effective as compare to offline mode.
(3) It was difficult to interact with students as effectively as offline mode.
(4) It was difficult for teachers to read facial expressions of all students.

(iv) Which teaching methodologies are used during COVID-19 Pandemic situation?

Teachers of college used power point presentations, video lectures for teaching. Lectures were conducted on ZOOM meeting and Google meet platform. Google Boards, Microsoft Boards were also used. Software like OBS studio is used by teachers. Also teachers created Google Classrooms and Microsoft Team Application.

(v) Other suggestions given by Employers:

(1) Need to improve the technological Skills of Teachers for effective teaching.
(2) Ethical learning process through well planned virtual sessions.
(3) Semesters should start on time by university.
(4) Syllabus to be updated as per industrial skill requirements by university.
(5) More Faculty Development Programs are to be organized by college.

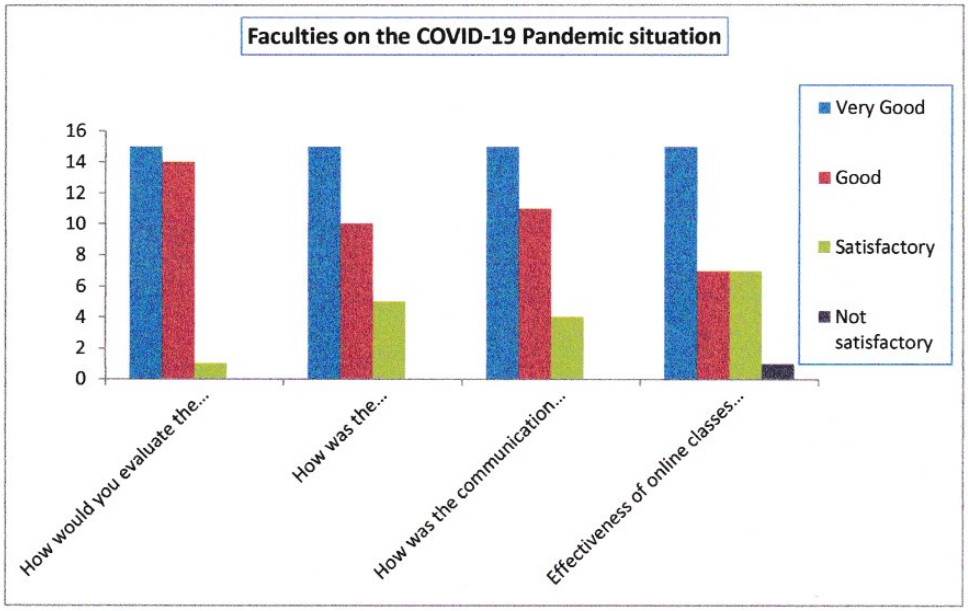
(i) Analysis of feedback given by Faculties on the COVID-19 Pandemic situation:



(ii) Problems faced by faculties while conducting the online classes.

(1) Students' having network issues.
(2) Noticed that students are not having smart phones for e-learning.
(3) It was challenging to communicate with students in the same way as in offline mode.
(4) It was challenging for teachers to check the student's reactions during online teaching.

(iii) Which teaching methodologies are used during COVID-19 Pandemic situation?

Power point presentations and video lectures were used by college instructors as instructional aids. Zoom Meeting and Google Meet were the platforms used for the online lectures. Microsoft Boards and Google Boards were also utilized in teaching process. Teachers utilize software's like OBS Studio. Additionally, teachers created Microsoft Teams and Google Classrooms.

Action Taken Report on Feedback on the Syllabus

Academic Year 2022-2023

In the meeting of CDC suggestions given in the feedback were discussed and decisions were taken.

A. Suggestions given in the feedback regarding Syllabus by students:

(i) Suggestions are given by students on Courses run by college:

- Some papers like Machine learning, Python programming language, virology, plant pathology, astrophysics, health and physical education and coding are to be added in the courses.

(ii) Action Taken on the suggestions:

- The courses like health and physical education are already started.
- Papers suggested by students are forwarded to corresponding faculties. Faculties will suggest these papers in BOS meeting for the addition of these papers in the curriculum.

B. Suggestions given in the feedback regarding Teacher by students:

(i) Suggestions given by students:

Most of the students are satisfied with the teaching of most of the teachers. Students are satisfied with the discipline and punctuality of teachers.

- Teacher should provide extra knowledge and more study material to the students.
- More focus should be on practical knowledge and skill based program and certification course should be taken by chemistry and microbiology department.
- Teacher should use ICT in teaching more frequently.
- Up gradation of Laboratories.

N.E.S. SCIENCE COLLEGE NANDED

PRINCIPAL
Science College, Nanded

(ii) Action Taken on suggestions:

- Teachers of college provide extra knowledge through remedial coaching
- Teachers of college provide good study material to students.
- Use of ICT in teaching is increased.

C. Suggestions given in the feedback regarding college by students:

(i) Suggestions given by Students:

Most of the students are satisfied with the library, sports and laboratory facilities available in college. Following suggestions are given by students regarding different facilities that are available in college.

- There is a chance to make facility of cold drinking water, especially in summer.
- Parking facility should be improved.
- Give free Wi-Fi Facility in campus.
- Organization of career related programs
- To arrange more number of Campus interviews for students
- Break time (Interval) should be increased
- Organization of Campus interviews.

(ii) Action taken on the suggestions:

Following actions are taken over the suggestions given by students.

- Cold drinking water Facility is improved.
- Internet Cafe is made available for students
- Almost all departments have free Wi-Fi facility.
- Campus interviews are arranged for students.

Action Taken Report on Feedback on the Syllabus

(2021-2022)

In the meeting of CDC suggestions given in the feedback were discussed and decisions were taken.

A. Suggestions given in the feedback regarding Syllabus by students:

(i) Suggestions are given by students on Courses run by college:

- To start programmes like M. Sc. Statistics in the college.
- Courses of languages like Urdu and foreign languages can be added.
- Some courses like Chromatography, Metrology, Morphology, and Artificial Intelligence can be added in the courses.

(ii) Action Taken on the suggestions:

- M. Sc. Statistics programme was already proposed and will be started from the academic year 2022-23.
- Courses suggested by students are forwarded to corresponding faculties. Faculties will suggest in BOS meeting for the addition of Courses of languages like Urdu and foreign languages in the curriculum.

B. Suggestions given in the feedback regarding Teacher by students:

(i) Suggestions given by students:

Most of the students are satisfied with the teaching of all of the teachers. Students are satisfied with the Discipline and Punctuality of teachers.

Following suggestions are given by students.

- Teacher should provide extra knowledge and more study material to the students.

N.E.S. SCIENCE COLLEGE NANDED

PRINCIPAL
Science College,Nanded

- Guidance on CSIR- NET and MH-SET is to be given to the students in more subjects.
- Frequency of seminars/ unit tests are to be conducted is to be increase.

(ii) Action Taken on suggestions:

- Teachers of college have provided extra knowledge through remedial coaching
- Teachers of college have made available good study material to students.
- SET/NET coaching is organized for the students.
- Teachers are informed to conduct the seminars and more unit test on difficult topics.

C. Suggestions given in the feedback regarding college by students:

(i) Suggestions given by Students:

Most of the students are satisfied with the library, sports and laboratory facilities available in college. Following suggestions are given by students regarding different facilities that are available in college.

1. Drinking water Facility is to be improved.
2. Organization of more cultural events.
3. More books can be added in PG library.
4. Give free internet Facility in campus.
5. Organization of Campus interviews.

(ii) Action taken on the suggestions:

Following actions are taken over the suggestions given by students.

1. Most of the departments have established the departmental library and it is accessible for students
2. Internet Cafe is made available for students.
