

### Objectives

- To discuss learner centric education through various adequate methods to enrich the Teaching Learning and Evaluation Process.
- To acquaint with the various digital resources available for teaching and learning process.
- To know about the issues related to the assessment of Teaching Learning Process and use of Academic Audit.
- To develop vibrant feedback mechanism to improve Teaching-Learning process.
- To make teachers familiar with Learning Management Systems

### Expected outcome

Teaching learning and evaluation process is significant so the discussion of it is useful for all affiliated colleges to know about this process in detail. The resource person will highlight on major methods, issues, difficulties faced, digital technology used in education, feedback and evaluation process, it will be helpful for the IQAC Coordinator, IQAC members, Principals, teaching and non-teaching staff, students, parents and Alumni.

### Discussion Themes

- Gender Sensitization and catering students diversity
- Initial Assessment of special learning needs of the students
- Various methodologies of teaching learning
- Learning Management Systems (LMSs) and e-sources available
- Teacher's professional quality for individual and institutional excellence
- Evaluation of students performance and reforms in evaluation process
- Students performance and learning outcomes

**Topic: "Intellectual Property Right: An Overview"**

### About seminar

In the changing situations, Higher Education Systems are expected to find out the intellectual and innovative ideas from the students and transform these ideas into startups. In this regard, the matters of Intellectual Property Rights are necessary to be known, so awareness about it among the students, researchers, faculty members is required. Taking into consideration these needs, Nanded Education Society's Science College, Nanded is organizing this seminar.

#### Objectives of Seminar:

1. To provide basic & valuable information about IPRs.
2. To know how to stimulate the innovation ecosystem with the help of IPRs.
3. To acquire the information about the career opportunities in IPRs.
4. To understand how to incorporate an organization's intellectual property into start-ups and incubation centers.

#### Target Group:

Academicians, Research scholars & PG Students.

\*No registration fees.

\*Participants will get zoom meeting link in Telegram group.

\*E-certificates will be given to the registered participants.

#### **Introduction of the Seminar:**

Intellectual Property Right (IPR) refers to the legal rights given to the inventor or creator to protect his invention or creation for a certain period of time. IPR is a strong tool, to protect investments, time, money, effort invested by the inventor/creator of an Intellectual Property. This IPR, in this way, supports the economic development of a country by promoting healthy competition and encouraging industrial development and economic growth.

From dawn to dusk i. e. from Morning to Evening, we come across intellectual properties. The items have a very wide range and are related to food, shelter and clothing, things of survival, comfort and pleasure. We deal with these items, including waking up from a Godrej Inertia bed, using a supportive Sleepwell mattress and pillows, getting a cup of Taj Mahal Tea, to wearing a Nike track suit and shoes for a morning walk. A Parle Bread or Mother Dairy Milk or tea, or a cup of Nescafe, driving to the office in a Tata or Maruti car. In the evening, watching Sony Television and setting the alarm to wake up in the morning on Titan watch, we are using the items which are somebody's intellectual properties.

These properties are protected by a copyright or a right to copying or a trade mark. As the life of a common man is very closely connected with papers and goods that are under human property protected by laws. Without the owner's consent, the copying, alteration, and illegal duplication of these objects which constitute a serious offence. Therefore, for us, knowledge of intellectual property rights is needed. In the modern era, Intellectual property rights play a significant role in the trade of every nation. So, there are many more career opportunities in this sector.

Though it is a very important topic, still we don't know much about it. When we think about Intellectual Property, the only thing comes into our mind is Patent... but apart from this it includes Copyrights, Patents, Trademarks, and Trade Secrets.

So, by keeping these things in mind this seminar was organized by IQAC, NES Science College, Nanded.

#### **Objectives:**

- The main aim or objective behind the organization of this seminar is.....
  1. To provide basic & valuable information about IPRs.
  2. To know how to stimulate the innovation ecosystem with the help of IPRs.
  3. To acquire the information about the career opportunities in IPRs.
  4. To understand how to incorporate an organization's intellectual property into start-ups and incubation centres.

#### **Inaugural Function:**

The One Day National Seminar on "Career Opportunities in IPR" was organized on dated 11/09/2021 at 09:10 am by RJAC, NES Science college, Nanded through Zoom online meeting platform. Chief Inaugurator and President for this program was Hon. Dr. CA Pravin Patil, Vice President Nanded Education Society, Nanded. Along with him, Dr. D. U. Girwar, Principal, NES Science college, Nanded; Chief guest Dr. Jayashree Bangali, Pune and Dr. M. N. Bhosmesik, Bangalore and more than 200 participants from all over India were joined either through Zoom meeting app or YouTube live streaming mode for this National Seminar on Career opportunities on IPR.

The Program was started with the virtual welcome of the guests. The anchoring of the program was done by Dr. V. V. Kulkarni, RJAC Coordinator, NES Science College, Nanded.

The brief introduction and objective of the organization of this seminar was given by Dr. V. R. Manohar, Organising Secretary. He has focused on the need of organization of such type of seminars on IPS.

After this Dr. D. U. Gavai, Principal, NES Science College, Nanded delivered his welcome speech in which he has welcome all the participants and was given the detailed information about the college. He has made aware the participants about all the achievements and facilities provided by the college for the betterment of the students.

The Presidential address was given by Hon. CA Dr. Pravin Patil, Vice-President, Nanded Education Society, Nanded

#### Technical Session-I:

Technical session was starts with the introduction of the guest speakers. Introduction of the first speaker Dr. Jayshree Bangali was given by Dr. Mrs. Prita Borkar, Associate Professor in Agricultural Microbiology, NES Science College, Nanded.

**Guest Lecture-I: Dr. Jayshri Aniket Bangali, Head, Department of Electronics, Kavayitri College of Arts, Science & Commerce, Pune**  
**Topic: IPR: Laws and Career Opportunities**

She has given an excellent resource talk which includes the basic aspects of IPR, Patents, Trademarks, copyright and trade secrets. She has also focused on different Patent laws, types of patent applications, procedure for getting grant of patent in India and Licensing of patent. The most important and excellent part of her lecture was career opportunities in IPR. She has enumerated number of ~~and~~ opportunities in private, corporate offices and R & D

sectors. She has also given information about IPR consultant, IPR agent and Patent attorney. This lecture was really important for the student participants.

#### **Technical Session-II:**

Introduction of the speaker -Dr. M N Bhamesh was given by Dr. D. R. Munde, Professor in Chemistry, NES Science College, Nanded

**Guest Lecture-II: Dr. M N Bhamesh, Director, NALS and Senior Advisor, ALMT**  
Legal, Advocates and Solicitors, Bangalore

**Topic: Intellectual Property Right: An overview**

Dr. M. N. Sheemesh has given his talk on Intellectual Property Right: An Overview. He has a very different and unique style of delivering lectures. He has used so many video clips for the better understanding of his lecture. He has also covered all the basic aspects regarding Intellectual Property Right. While teaching IPR, he has given common examples related to our day-to-day life so that participants grasp the topic very easily.

**Vote of thanks:**

Seminar ended after the vote of thanks given by Professor Dr. S. L. Jadhav, Librarian, NES Science College, Nanded.

### **THE COLLEGE...**

Pooja Swami Rameshwar Teerth established "Nanded Education Society" in 1950 for catalyzing educational revolution in backward region of this Maharashtra. N.E.S. Science College, a single faculty college of Nanded Education Society is one of the premier institution imparting quality education to the students of this region since last 67 years. Swamiji in his vision of society emphasized the incorporation of spirit of enlightened and responsible citizenship in youth, essential for secular democratic India. The college is always poised to offer emerging contemporary education to the learners to fulfil the need of society as well as to meet global challenges. This institution has been on the forefront in pursuit of academic excellence and has attained potential for excellence (CPE) status from UGC. The college is DST-FIST sponsored and recently awarded as BEST COLLEGE AWARD by Swami Rameshwar Teerth Marathwada University, Nanded.

The main objective and mission of college is overall development of students in all respect like academic, physical, mental, spiritual and moral to build up good citizen for the Republic of India. The college has lush green campus of 45 acres of land for curricular and co-curricular activities for stakeholders. The college offers 15 programs at UG level and 30-subject combinations. To keep pace with the advancement and diversification in the field of science and technology some applied subjects like Integrated Computer Science, Biotechnology at UG, M.Sc. Biotechnology, and Herbal Medicine at PG level have been introduced.

### **About the Workshop**

Research is a difficult endeavor in which the goal is to discover truths through scientific and systematic inquiry. The research's ultimate goal is to seek information, generate new knowledge, and propose practical solutions to the difficulties that the human race faces. In various academic disciplines, such as life Science, Education, Computer Science, Mathematics, Public Health, Library studies, Biological Studies and all science streams as research, aspirants involved in research activities are typically exposed to a course Research Methodology. Therefore, the course will be taught with different

approach and perspectives. In this context, a One Day National Workshop On Research Methodology for Basic Sciences specifically designed to provide hands on training to the students enrolled for research program recently, and those who face certain challenges to kick-start the process of research systematically. This workshop is focused on the topics complementary to the content mentioned in the syllabus, leading to a good beginning towards success.

#### **Objectives of National Workshop**

- To train the student in their early stage of research, to carry out research effectively using recent techniques in order to achieve high degree of productivity.
- To familiarize with powerful tools for literature survey and, management skills, ethical issues, etc.
- To provide the introduction to the key features of the readily available packages for computational studies and scientific writing.
- To give exposure to the software packages useful in preparing original visuals and illustrations.
- To equip the scholars with basic skill sets required for quality research output such as effective communication, and presentation, etc.
- Topics covered : 1. Writing Research Paper, Choice of Journals and Assessing Impact Factor 2. How to prepare proposal to get foreign & Indian research scholarships.

### Resource Person Brief Introduction

#### **Dr. Sarika Sawant**

Assistant Professor

SHPT School of Library Science, SNDT Women's University Mumbai

**Topic: Writing Research Paper, Choice of Journals & Assessing Impact Factor.**

- She is Assistant Professor of SHPT School of Library Science, SNDT Women's University since Sept 2004. She completed her BLISc from Shivaji University in 2001, M.L.Sc from SNDT WU in May 2002 and obtained her PhD in 2010. She has a degree of MSc in Biochemistry from Shivaji University in 2000 also.
- She is PhD supervisor, guiding at present 4 students and one is awarded with PhD degree and another submitted.
- She has 42 International and National publications to her credit. Her publications are in high impact Scopus and WoS indexed journals such as Journal of Academic Librarianship, OCLC Systems & Services, Program: electronic library and information systems, Library Hi Tech, Annals of library and information studies, Collection Building etc. She was the principal investigator in 3 research Projects funded by various government funding agencies. She has received 271 citations for her publications, 1 collaborative book project for BRICS countries, edited 3 conference proceedings, 43 papers published in edited books/Seminars/Conference Proceedings and deposited 40 preprints of conference, journal papers in e-LIS repository, archived 45 presentations in slide-share which has more than 177,000 views as on date.
- She is a recipient of various awards and Honours from prestigious institutions. Such as Attendance Grant Award on behalf of Asia Pacific to participate in International Federation Library Association Conference (IFLA) highly rated library science conference which was held at Columbus, Ohio, USA during Aug 13-19, 2016. She had participated and presented a research paper and poster in IFLA 2018, Malaysia. She also received UGC Unassigned grant to travel to Austria for the conference.

- Recently she was invited as a panelist on behalf of South & Central Asia to participate in a panel discussion on the occasion of ALA National Lib week organised by U.S. Embassy in association with ten American Spaces in South Asia Region.
- Dr. Sawant has successfully done 17 certificate courses from Coursera and one on Understanding Open Educational Resources (OER) from Commonwealth of Learning.
- She represents on various committees of university as well as served 25 times in her capacity as org secretary, org committee member, rapporteur etc of various conferences and seminars.
- She is associated with FOURTEEN Universities of India in connection with Lectures, Training, and Assessment, PhD referees etc.
- She is on the editorial board of Sage Open a international peer reviewed journal and Guest peer reviewer of The Journal of Academic Librarianship.
- Dr. Sawant has delivered more than 52 expert talks on various topics such as Research, Publications in journals, Copyright issues, Publication misconduct, Open access resources, ICT tools and so on.

**The outcomes of One Day National Workshop on Research Methodology for Basic Sciences:**

**Target Participants**

Academicians, Research scholars & Students

A maximum of 100 students are selected for the workshop on First-Come-First-Serve basis.

**Preparation and Planning Meeting Conducted**

On 23<sup>rd</sup> July 2021 IQAC scheduled one Day National Workshop on Research Methodology for Basic Sciences thereafter the planning was in execution. Resource persons give their dates of delivery of lecture on their respective above said topics.

Next the permission for date finalization i.e. 31<sup>st</sup> July 2021 with convener was held along with organizing team.

**Organizing team consists of following with their work distribution**

- Resource Persons finalization by Dr. V. V. Kulkarni & Dr. Mohsena Thaseen
- Welcome of dignitaries by Dr. Prita Borkar
- Brief of National Workshop by Dr. V. V. Kulkarni
- Welcome Address by P.H. Dr. D. U. Gawai
- Introduction of the speaker Dr. Sarika Sawant by Dr. A.S. Bansode
- Introduction of the speaker - Smt. Vijaykiran N. Narwade by Dr. A.S. Bansode
- Vote of thanks by Dr. V. R. Narathe
- Feedback and Certificate by Dr. K. R. Gakhwad
- Report writing by Dr. Mohsena Thaseen

**Call for Participation:**

All the participants were informed by whatsapp message, which includes telegram chat link for further information of the event and circular attached to it. However, message was circulated, with an overwhelming response to this E-Media and social media platform.

Kulkarni ICAC, Coordinator, Science College, Nanded briefed the workshop with its aims and objectives and ensured all participants this workshop will be adding knowledge to them, however speakers were from two different states research methodology basic for science we be universal.

Followed by principal's address by Prof. Dr. D. U. Gawai Sir, NES Science College, Nanded, introducing College to all workshop gathering.

Followed by presidential address by Hon. Dr. Venkatesh Kabde (President, Nanded Education Society, Nanded). Sir Encourage all researchers, Supervisors, Young Youth to give their best to nature by science through Research methodology and official declaration of workshop inauguration.

Dr. V. R. Marathe introduced the speaker Dr. Sanka Sawant for topic: Writing Research Paper, Choice of Journals and Assessing Impact Factor.

Dr. Sanka Sawant took very informative session covering all the aspects of writing research paper choice of journals and assessing impact factor.

Dr. V. R. Marathe introduced the speaker Mr. Vijaykiran N. Narwade for topic: How to prepare proposal for foreign & Indian research scholarships.

Mr. Vijaykiran N. Narwade took the session, as both the sessions were highly appreciated by participants for informative sessions.

Then followed by Vote of thanks by Dr. A. R. Shukla and Feedback and Certificate distribution was taken by Dr. K. R. Galwad.

#### ABOUT THE WORKSHOP

This workshop focuses on the Research Methodology for Basic Sciences like Physics, Chemistry, Biology, Mathematics, etc.

- 1. To learn how to write research paper.
- 2. How to select the paper research journal for publication.
- 3. To know about how to access impact factor of journal.
- 4. To acquire skill of writing proposals to get the grants and fellowships.

Poojya Swami Ramanaid Teerth established "Nanded Education Society" in 1950 for catalyzing educational revolution in backward region Marathwada. Science College is one of the premier institute of this region. It is single faculty college imparting quality education to the students of this region since last 70 years. The college is always ready to emerge emerging contemporary education to the learners to fulfill the need of society as well as to meet global challenges. This institution has been the forefront in pursuit of academic excellence, Reaccredited with 'A' grade by NAAC with CGPA 3.38 and received college with potential for excellence (CPE) status from UGC. The college is under DST-FIST programme and recently awarded as Best College Award by Swami Ramanaid Teerth Marathwada University, Nanded.

### **About Research centre**

We have university recognized research centers in Botany, Mathematics, Chemistry, Physics and Zoology. Presently 110 research scholars presently pursuing their research work for Ph.D. Institution provides excellent facility with well equipped research laboratories at PG departments. College has also extended research facility to 35 research scholars from different institutes of our university jurisdiction. From the inception, more than 175 students received Ph.D. degree under the able guidance of our faculty. College has well equipped Central Instrumentation Laboratory with following sophisticated instruments -

HPTLC

FTIR - Fourier Transform IR Spectrophotometer

UV-Visible Double Beam Spectrophotometer

Cooling Centrifuge

Digital Live Imaging Microscope, PCR

**Guest Speaker:**

**Dr. Vijay Wagh (Senior Scientist, NBRI, Lucknow).**

**Date & Time: 09/10/2021 (SAT) 11.00-01.00 PM.**

**Topic Covered: Future Career opportunities in Research.**

**UGC D. S. Kothari Fellowships**

Dr. D. S. Kothari Postdoctoral Fellowship (DSKPDF) Scheme was introduced by the University Grants Commission (UGC) in year 2007.

**Eligibility:** Aspirant below 35 years of age (Up to 3, 5 and 10 years of age relaxation for OBC, SC/ST/Women and physically handicapped respectively is admissible), who are awarded a Ph. D. degree under science faculty are eligible to apply. It is necessary that candidate identifies a Mentor (affiliated to University/Institute wherein DSK Fellowship is tenable) for his/her postdoctoral Research work and obtain his/her consent for the mentorship.

**Amount:** Normal fellowship for First, Second and third year is Rs. 43,400/-, Rs. 45,000/- and Rs. 46,500/- respectively. Higher fellowship for First, Second and third year: Rs. 46,500/-. The fellow is provided with a contingency grant of Rs. 1,00,000 p.a.

**Lecture 1:**

**Resource Person: Dr. V. R. Marathe**

**Date & Time: 09/10/2021 (SAT) 01.00-02.00 PM.**

**Topic Covered: Introduction of Pre-Ph.D. Course Work.**

The screenshot shows a mobile phone interface. At the top, the status bar displays '4G', signal strength, '12:50', and battery level '92%'. A 'LIVE' indicator is present in the top left. A video call window in the top right shows a man with a mustache. Below the video call, a PDF document is open, titled 'Method Structure of the Ph.D. course work' by 'Vishal Marathe'. The PDF contains a table with the following data:

Page	CRN	Credits	Weeks	Duration of Presentation	Duration of Discussion	Points
Page 1	Research Methodology	03	04	1 hrs	1 hour	50%
Page 2	Computer applications	02	02	1 hrs	1 hour	50%

**Introduction to Philosophy: Definition, Nature and Scope, concept, branches**

**Ethics: Definition, moral philosophy, nature of moral judgements and reactions**

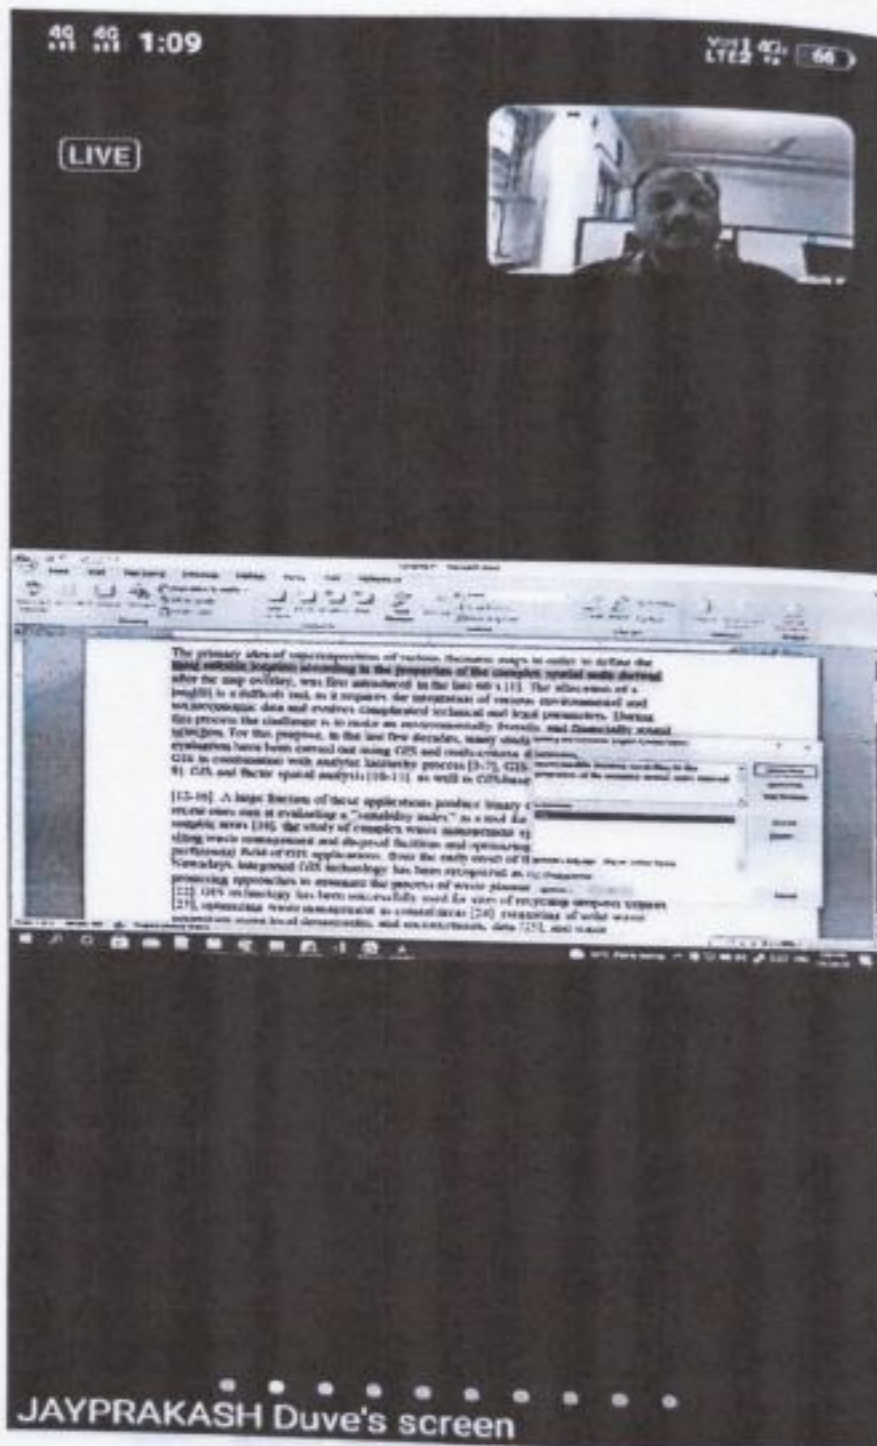

**Lecture 3:**

**Resource Person:** Dr. Jayprakash Duve

**Date & Time:** 09/10/2021 (SAT) 4.00-5.00 PM.

**Topic Covered:** RPE-I: CA: Introduction of MS word 2007, Create Word file, open folder, Save-word & Pdf.

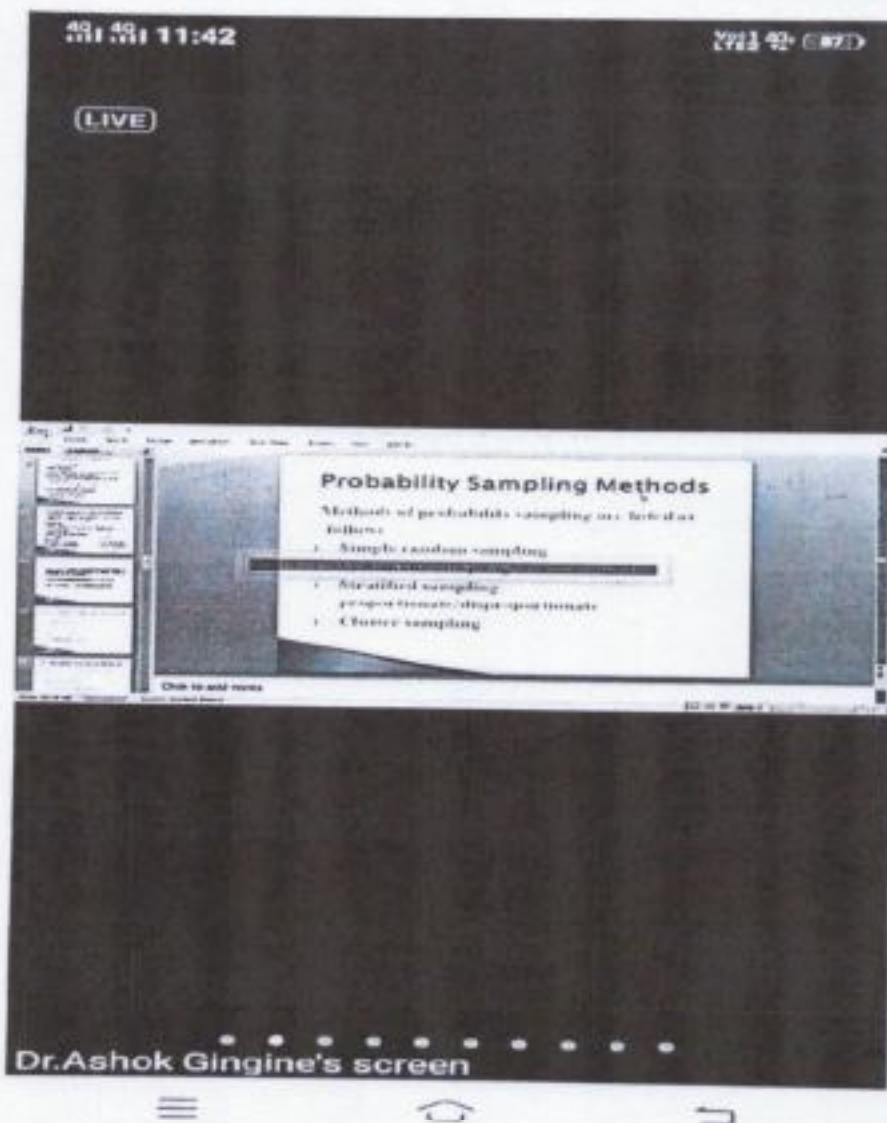

**Day-2:**

**Lecture 1 & 2:**

**Resource Person:** Dr. Ashok Gingine

**Date & Time:** 10/10/2021 (SUN) 11.00-1.00 PM.

**Topic Covered:** RM-III: Research Innovation-Intelligence, Solution, idea, Inspiration, creativity & vision, Variable- Definition & types-Independent & Dependent variable, Hypothesis types- Simple, Complex and Empirical.

**Lecture 3:**

**Resource Person:** Dr. Jayprakash Duve

**Date & Time:** 10/10/2021 (SUN) 1.00-2.00 PM.

**Topic Covered:** CA: Different parts of MS word: Home tab, clipboard, bullet, Table and styles.

The screenshot shows a Zoom meeting interface. At the top left, there are signal strength and battery icons, and the time 1:07. At the top right, it says 'Vol 1 4G LTE' and '(73)'. A 'LIVE' indicator is on the left. A video window shows a man with a beard and mustache. Below the video is a presentation slide with the following content:

### References Tab

Points to be discussed

1. Introduction of Referencetab
2. Table of Contents group
3. Footnotes group
4. Citations & Bibliography group
5. Captions Group
6. Essential steps to handle all above groups

**Introduction:**

References Tab is the fourth tab on the ribbon of Microsoft word 2007 which offers a quick way to enter your document sources, citations and changes a table like table. (Source: Introduction of Microsoft Word 2007)

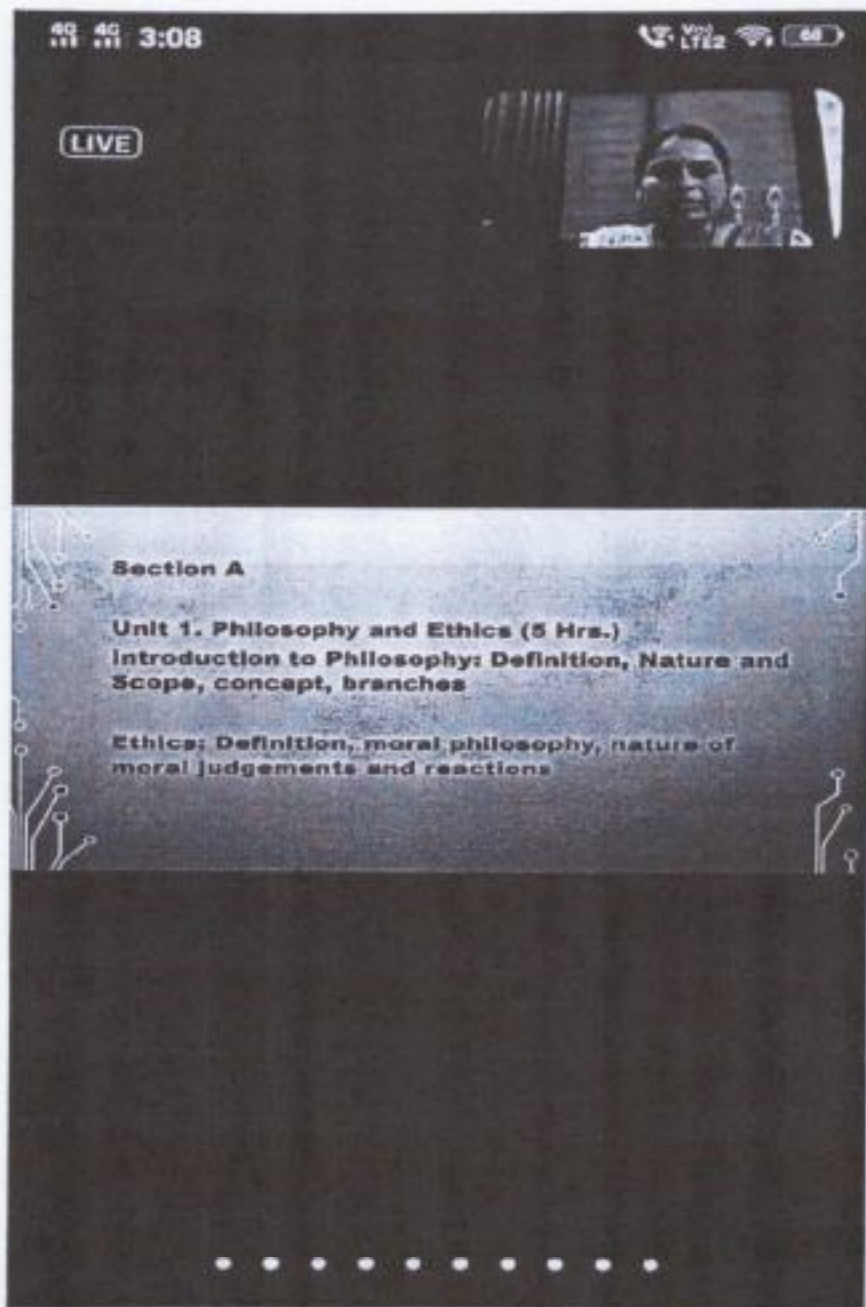

**Lecture 4:**

**Resource Person:** Dr. Vibhati Kulkarni

**Date & Time:** 10/10/2021 (SUN) 3.00-4.00 PM.

**Topic Covered:**RPE-I: Ethics: Definition, moral philosophy, nature of moral judgements and reactions.

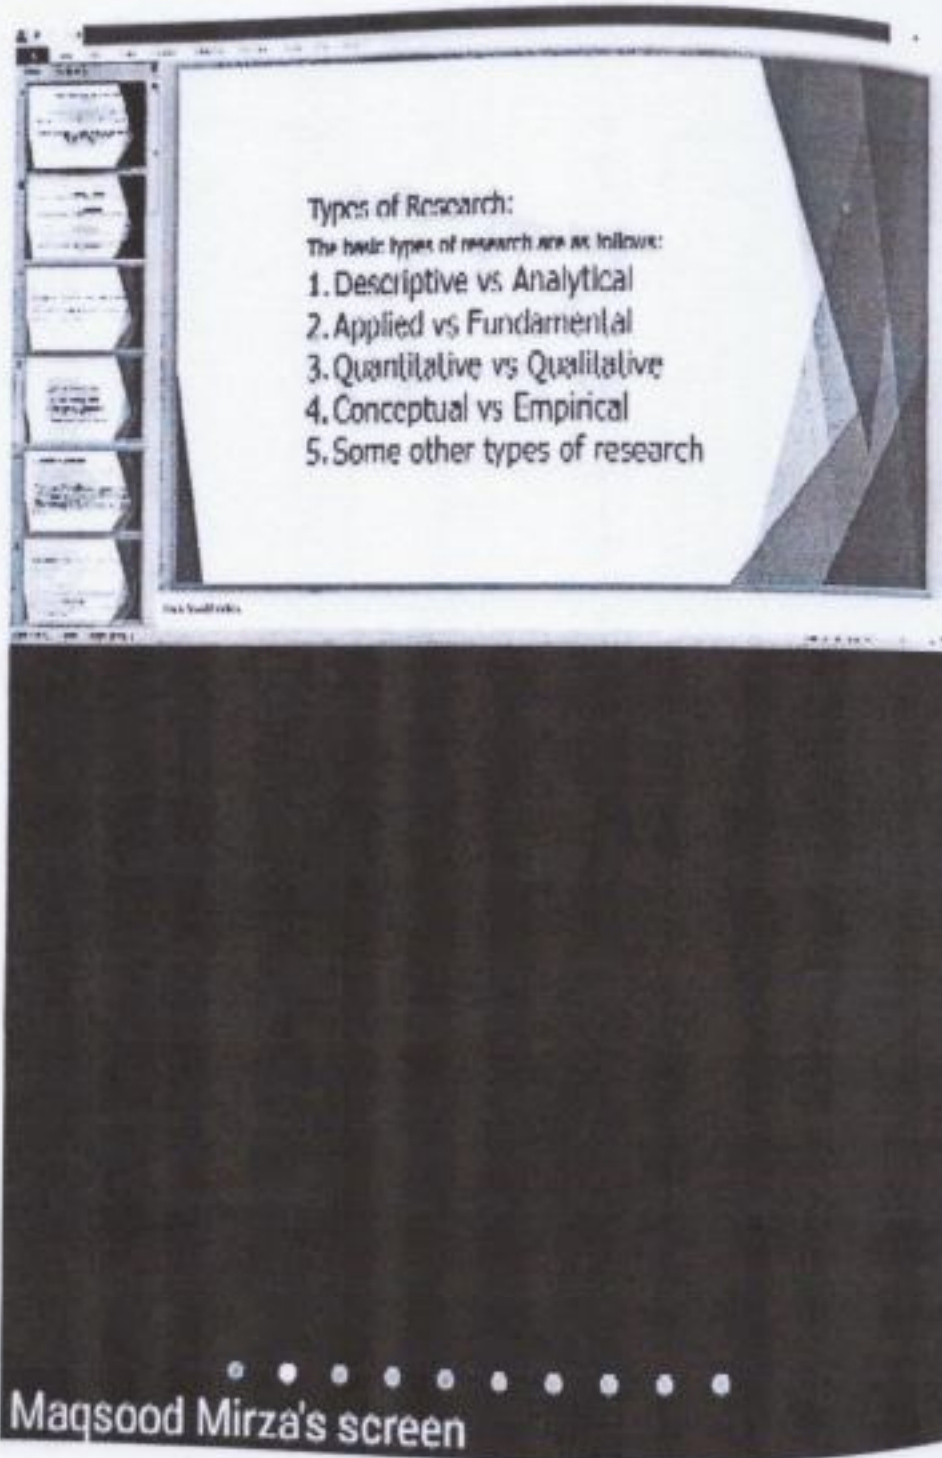

**Lecture 5:**

**Resource Person:** Dr. Maqsood Mirza

**Date & Time:** 10/10/2021 (SUN) 4.00-5.00 PM.

**Topic Covered:** RM-VI: Research Methodology- Meaning & types, Definitions of Research

**Day-3:**

**Lecture 1 & 2:**

**Resource Person:** Dr. Santosh Deosarkar

**Date & Time:** 11/10/2021 (MON) 11.00-1.00 PM.

**Topic Covered:** RM-II: Trends in research, Research in sci. & tech., Research Methods- Scientific, Quantitative & Qualitative, Steps in research, Databases- Scopus (Elsevier), WOS (Clarivate), PubMed (NIH), IEEE Xplore (Comp. Sci. & Engi.), Science Direct (Elsevier), Directory of Open access journal (DOAJ), Research paper writing, and Author Impact Metric.

The screenshot shows a Zoom meeting interface. At the top left, there are icons for signal strength, Wi-Fi, and battery, along with the time 11:41. At the top right, it says 'You're Muted' with a speaker icon and a mute button. A 'LIVE' badge is visible on the left. A video feed of a person is in the upper right. Below the video is a diagram titled 'Steps in Research'.

**Steps in Research**

The diagram illustrates a circular process with the following steps:

- Discover
- Research idea
- Literature review
- Theoretical formulation of the research problem
- Essential research questions (background literature)
- Research design
- Data analysis
- Theoretical interpretation of the results

Arrows indicate a clockwise flow between these steps, with a larger arrow pointing from the top right towards the bottom right.

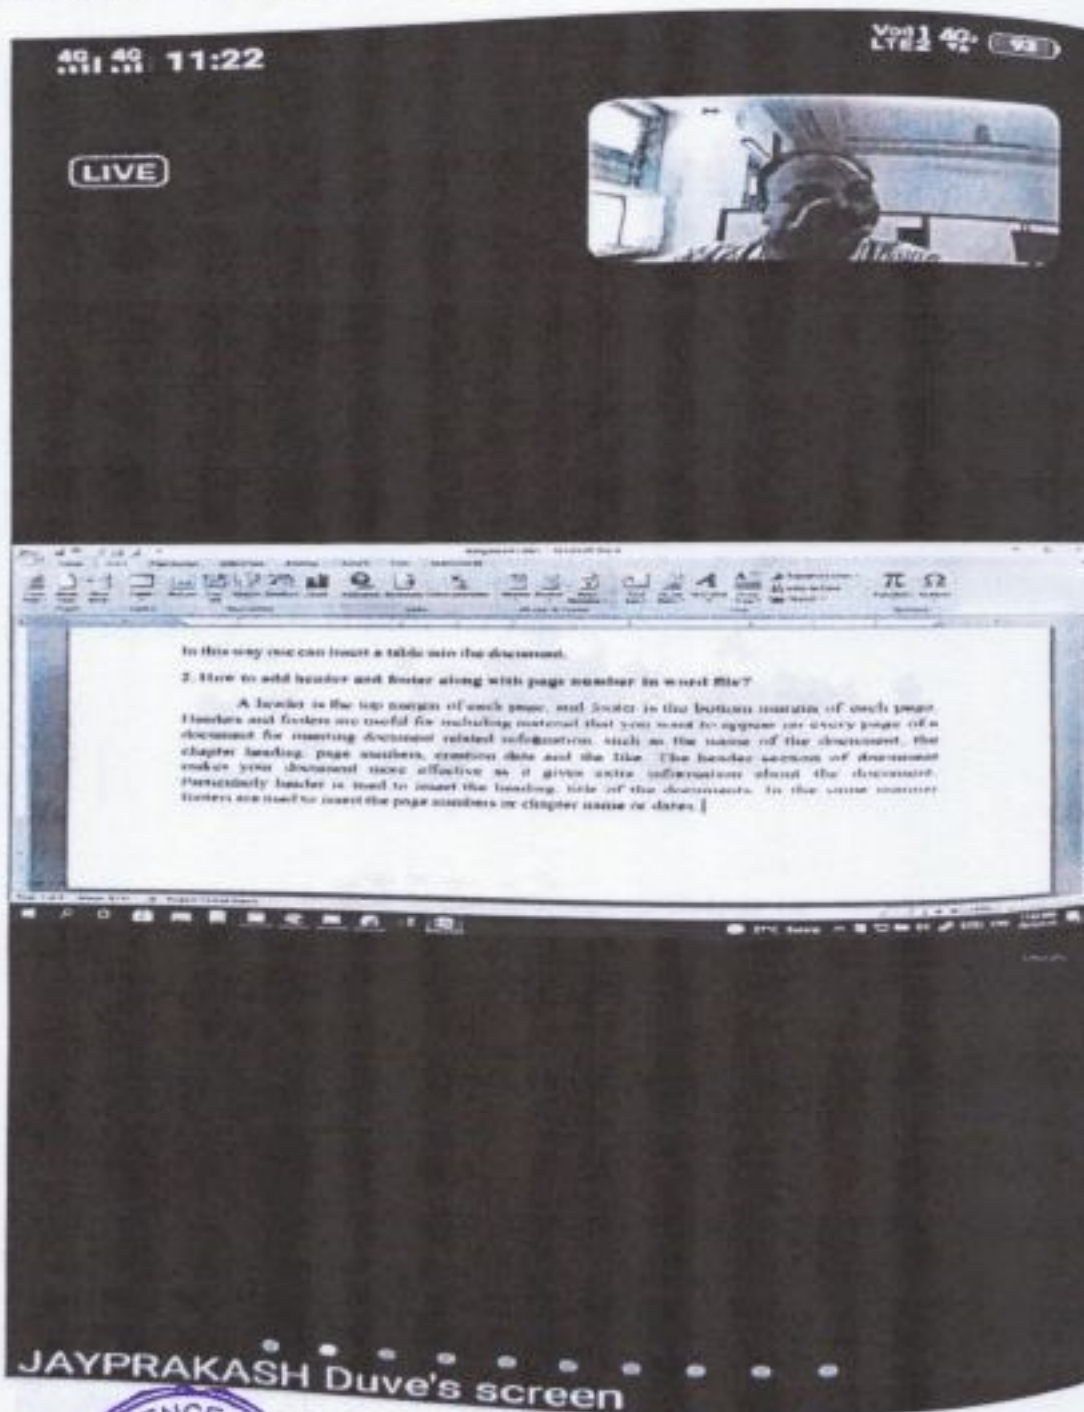

**Lecture 3:**

**Resource Person:** Dr. Jayprakash Duve

**Date & Time:** 11/10/2021 (MON) 1.00-2.00 PM.

**Topic Covered:** CA: MS Word 2007: Insert- Table, flow diagram, Hyperlink, Header, Page number, Text box & Watermark. Page layout- Orientation.

**Lecture 4 & 5:**

**Resource Person:** Dr. M.M. V. Baig

**Date & Time:** 11/10/2021 (MON) 3.00-5.00 PM

**Topic Covered:** RPE-II: Introduction of Ethics, Guidelines for ethical research- 1. Respect human beings, 2. Beneficence, 3. Research merit & integrity, 4. Justice., Ethical norms, Ethical Principles- Honesty, Objectivity, Integrity, Carefulness, Openness, Transparency, Accountability, Intellectual property, Confidentiality, Responsible publication, Responsible mentoring, Respect for colleagues.

### Acceptable Secondary Publication

- Guidelines, another language, commemorative
  - Approval from editors of both journals
  - Priority of primary publication is respected
  - Paper for secondary publication is intended for a different audience
  - Secondary version faithfully reflects data and interpretations of primary version
  - Footnote on title page of secondary version states primary reference
    - "This article is based on a study first reported in the J. ..."

The diagram, titled "Steps in Research", illustrates a cyclical process. The steps, starting from the top and moving clockwise, are: Research site, Literature review, Theoretical formulation of the research problem, Empirical research questions (operationalization), Research design (sampling), Data collection, Data analysis, Answering the empirical research questions, Theoretical interpretation of the results, Comparison with earlier research, and Conclusions. Arrows connect these steps in a continuous loop.

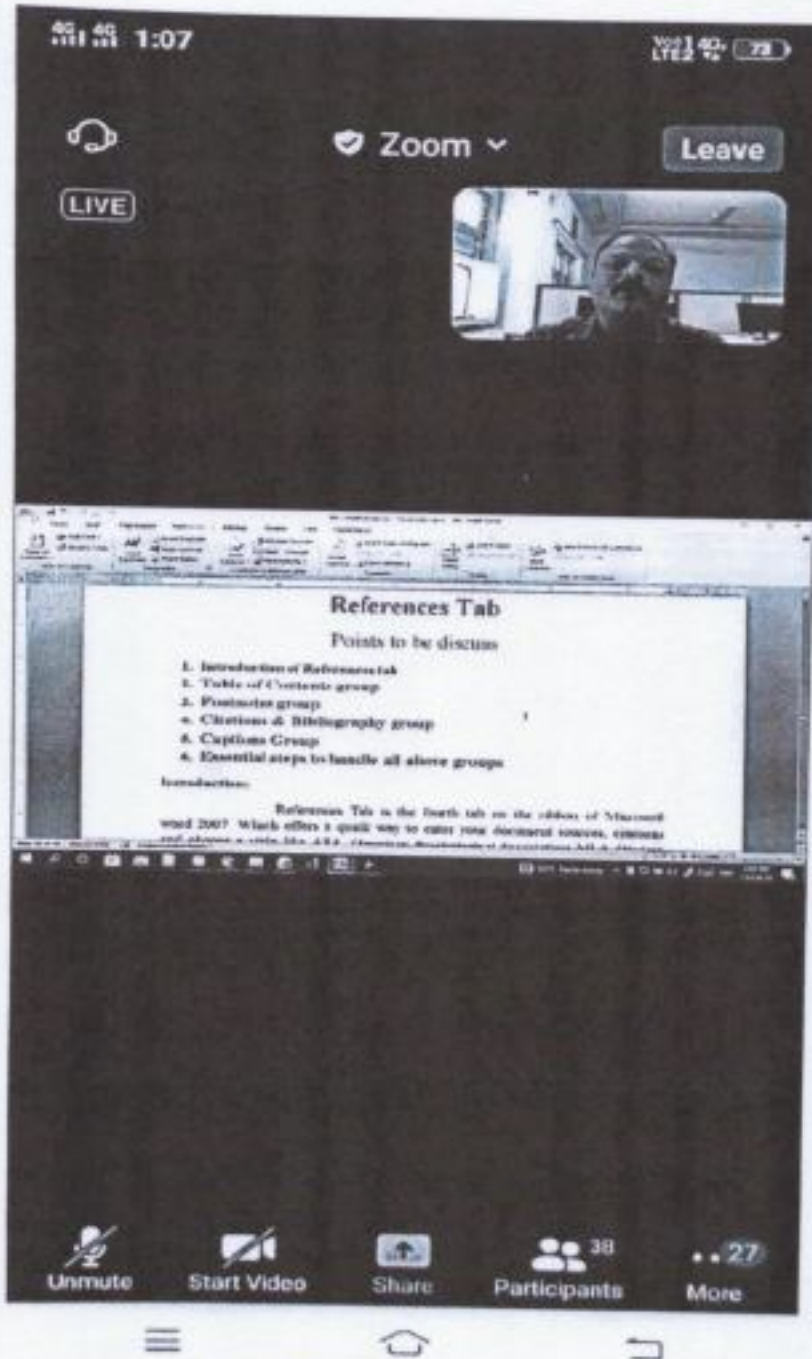

**Lecture 3:**

**Resource Person:** Dr. Jayprakash Duve

**Date & Time:** 12/10/2021 (TUE) 1.00-2.00 PM.

**Topic Covered:** CA: References Tab- Table of content, footnotes, citations, index and captions.

Lecture 4:

Resource Person: Dr. Maqsood Mirza

Date & Time: 12/10/2021 (TUE) 3.00-4.00 PM.

Topic Covered: RM-VI: Types of Research – Descriptive Vs Analytical, Applied Vs Fundamental, Quantitative Vs Qualitative and Conceptual Vs Empirical research.

Lecture 5:

Resource Person: Dr. V. R. Marathe

Date & Time: 12/10/2021 (TUE) 4.00-5.00 PM.

Topic Covered:RM-III: Development of Research Objectives and its Characteristics.

### Tips and Tricks

- Read, read and read
- Take notes
- Talk to supervisors, experts, fellows
- Write topics and topics
- Get confused, get afraid
- Generate a number of research questions
- Systematize research questions
- Cut down these in line with your coherent thinking

Lecture 1 & 2:

Resource Person: Dr. Ashok Gingine

Date & Time: 13/10/2021 (WED) 11.00-01.00 PM.

Topic Covered: RM-III: Hypothesis types- Null, Alternative & Causal hypothesis. Statistical population-Homogenous, Heterogenous, Finite & infinite Research population. Probability Sampling Method- Simple Random Sampling, Systematic Sampling, Stratified sampling and Cluster sampling.

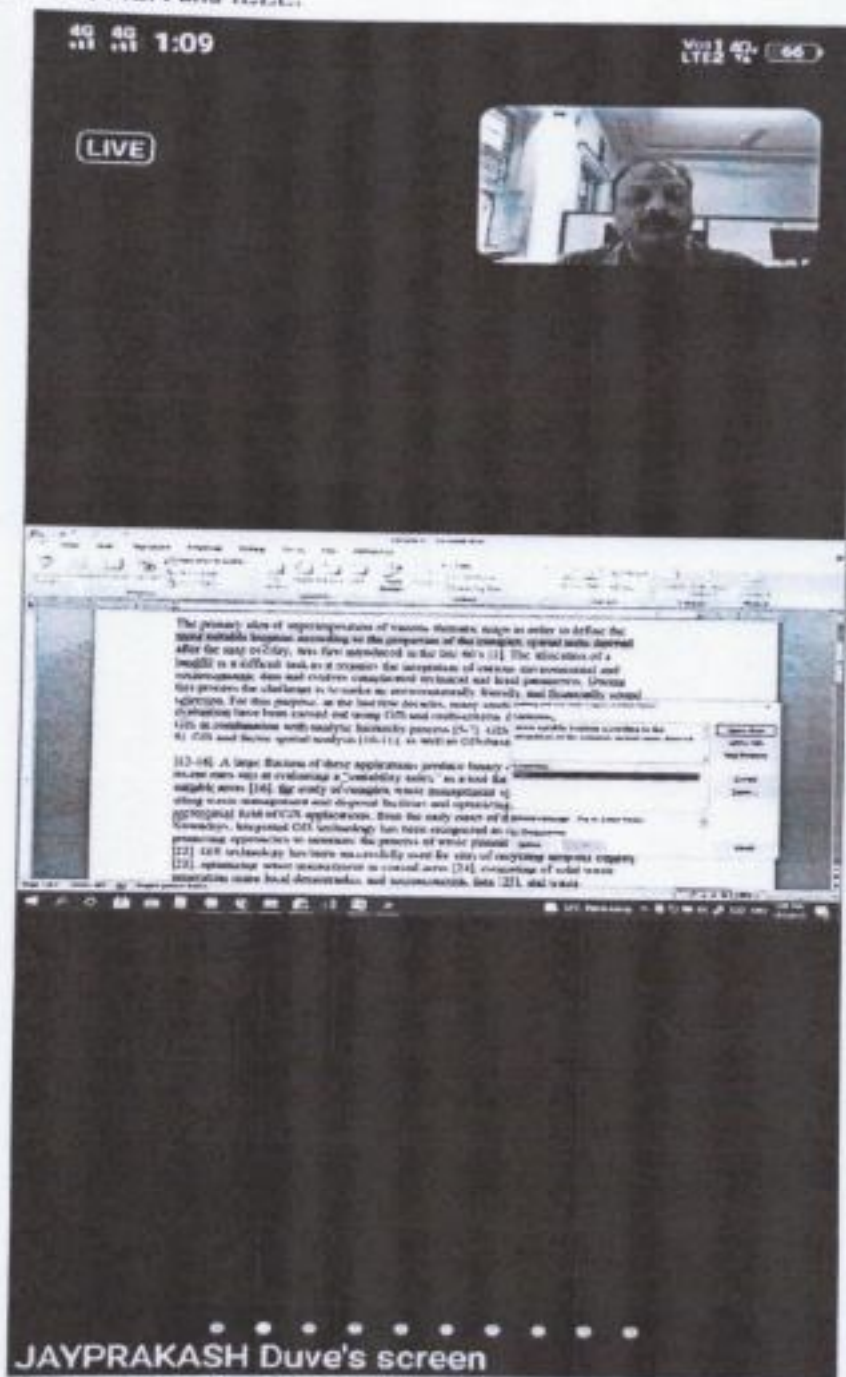

Lecture 3:

Resource Person: Dr. Jayprakash Duve

Date & Time: 13/10/2021 (WED) 1.00-2.00 PM.

Topic Covered: CA: References Tab- Citations and Bibliography. Reference style- APA, GOST, GB-7714, MLA and IEEE.

**Lecture 4 & 5:**

**Resource Person:** Dr. Sanjay Nanware

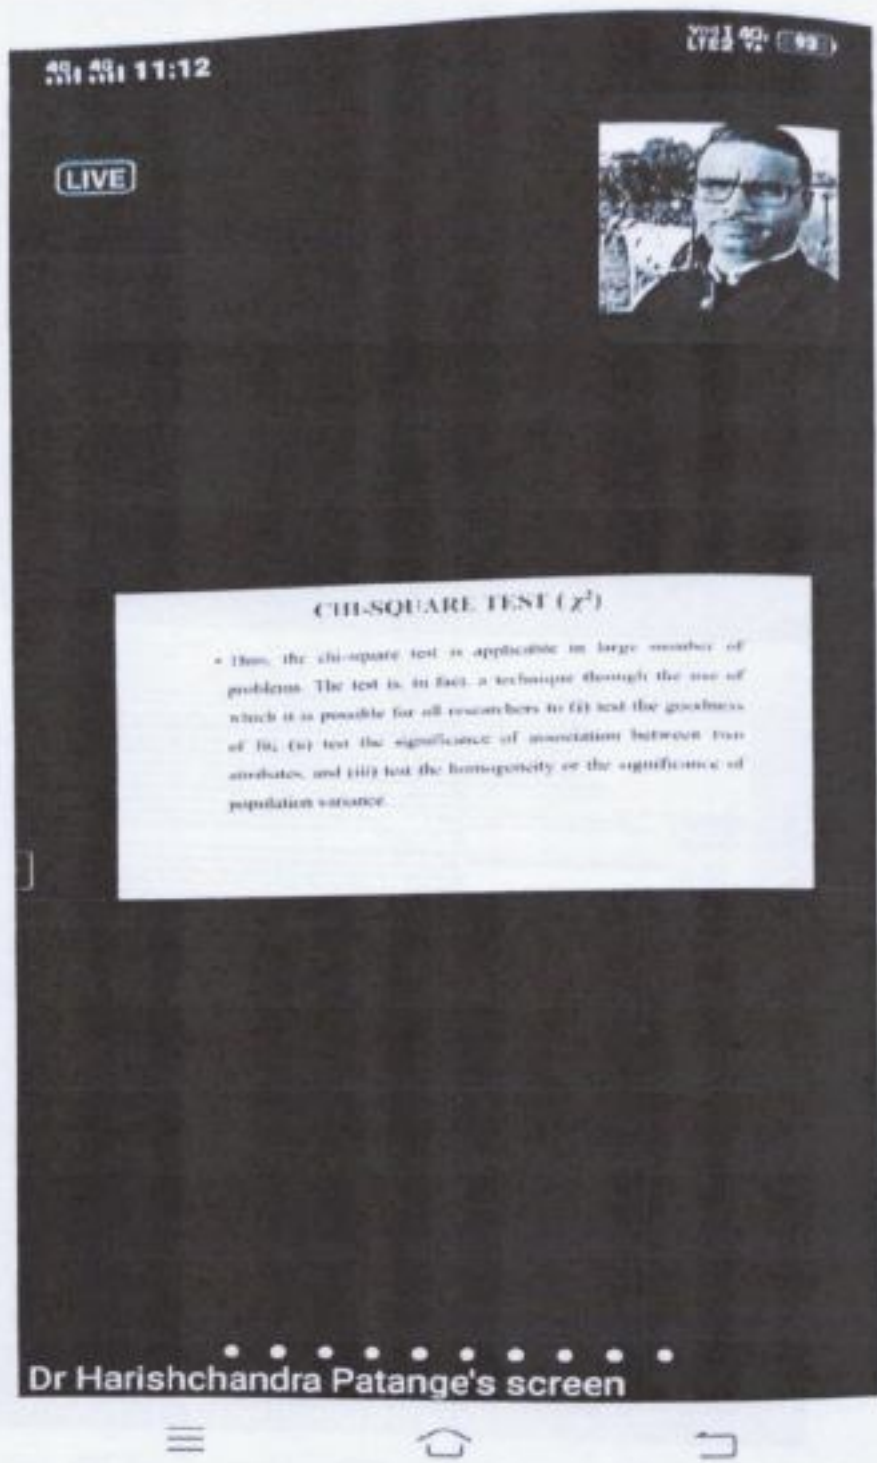

**Date & Time:** 13/10/2021 (WED) 3.00-5.00 PM.

**Topic Covered:** RM-IV: Data collection, Methods of data collection- Direct personal interview, Indirect oral interview, Through correspondents, Questionnaires, Experiment, Census and sampling. Nature of data- Time series data, Spatial data, Spacio Temporal data. Types of data- Primary and secondary data, Merits and demerits. Types of classification- Geographical, Chronological, Qualitative, Quantitative, Simple and Manifold classification.

### CHI-SQUARE TEST ( $\chi^2$ )

• Thus, the chi-square test is applicable in large number of problems. The test is, in fact, a technique through the use of which it is possible for all researchers to (i) test the goodness of fit, (ii) test the significance of association between two attributes, and (iii) test the homogeneity or the significance of population variance.

0	10	-10	100	10.0000
7	7	0	0	0.0000
<b>Σ = 18.9926</b>				

$\chi^2 = \sum \frac{(O_i - E_i)^2}{E_i} = 18.9926$

For Degree of freedom (df) in this case = (r - 1)(c - 1),  
 $(3 - 1)(3 - 1) = 4$ . The table value of  $\chi^2$  for 4 degree of freedom at 5 per cent level of significance is 9.49.

The calculated value of  $\chi^2$  (18.9926) is greater than the table value of  $\chi^2$  (9.49). Hence, the above null hypothesis ( $H_0$ ) is rejected. It means that there is association between two attributes A and B.

The screenshot shows a presentation slide with the following content:

### LAYOUT OF RESEARCH REPORT

The layout of research report consists of 15 or more pages. It is divided into three main parts: Preliminary pages, Main text and End matter.

**(A) Preliminary Pages**

In its preliminary pages, the report should carry a title and page followed by acknowledgments, in the form of 'Preface or Foreword'. It must be followed by page of contents followed by list of figures and illustrations. This is followed by a list of tables.

**(B) Main Text**

The main text provides the complete outline of the research report along with all details. Title of the research study is repeated at the top of its first page of the main text and then follows other details on pages numbered consecutively, beginning with the second page.

Main text of the report should begin on a new page. The main text of the report should have the following sections:

1. Introduction
2. Statement of problem and objectives
3. The Method
4. The Discussion given from the results
5. The Summary

Date & Time: 29/10/2021 (FRI) 11.00-01.00 PM.

Topic Covered: MS-PPT – Applying design templates, changing background of the slides, text and clipart slide, table slide, slide sorter view, slide show view, running and closing a presentation, font and font and formatting, deleting slides, hiding slide, inserting picture into a slide, inserting word art, animation, printing slides, notes and handouts, addition of animated GIF to a slide, footer in ppt slide, page number in ppt.

The screenshot shows a mobile interface with a video call window at the top right showing a woman. Below it is a PowerPoint slide with the following text:

**How to add page numbers to your PowerPoint slides to organize your presentation**

In PowerPoint, click "View" on the list of options at the top of the window and then click on "Slide Master."

Click on the present slide at the very top of the slide master.

In the "Slide Master" tab, click "Master layout" to bring up a dialog box.

In the "Master Layout" placeholder box, make sure you have "Slide Numbers" checked — it's the default setting, but it may be turned off for some templates. Your slide number placeholder will appear with a 1 inside it. Use your cursor to move it to the position you'd like it in — it shows up on all of your slides in the same position by default.

Return to the Slide Master tab and click the red "X" labeled "Close Master View." This will close the Slide Master so you can go back to editing slides individually. Next, go to the "Insert" tab and click "Slide Numbers" under "Text" to bring up the Header and Footer dialog box.

In the Header and Footer box, check the box next to "Slide Number" to have your numbers show in the spot you indicated on your slide.

You can also check the "Every Slide (by Title Slide)" box, if you don't want your title slide to be covered as a numbered page.

When you're finished, either click "Apply" to apply the slide number to only the slide you're currently working on, or "Apply to All" to apply slide numbers to all the slides in your presentation.

Note that even if you click Apply to All, slide numbers won't appear on slides for which you've manually removed the slide number placeholder.

What are  
benefits of  
Altmetrics?

**For Publishers**

- Altmetric offers services to help you monitor, browse, search, filter and measure all of the conversations surrounding published research.

**For Institutions**

- Provide detailed attention insights for faculty, staff and students and help them see a richer picture of the reach and influence of research.

**For Researchers**

- See who is talking about your research and that of your peers. Demonstrate the influence of your work to funders and evaluation committees.

**For Funders**

- Monitor how funded research has been received and disseminated, and where it is having an influence on public policy.

**For Research & Development**

- Make data-driven strategic decisions with up-to-the minute insights of the online engagement surrounding published research.

Example of Median for Grouped Data

Ex.-The Serum cholesterol level (mg/dl) of 10 subjects were found to be as follows, 192, 242, 203, 212, 175, 284, 256, 218, 182, 228.

Choles. level	No. of subjects (f)	c.f.
175-200	3	3
200-225	3	6
225-250	2	8
250-275	1	9
275-300	1	10
	$\Sigma f = 10$	

$\frac{N}{2} = \frac{10}{2} = 5$   
c.f. just greater than 5 is 6  
Therefore median class is 200 - 225  
Median =  $l + \frac{\frac{N}{2} - c}{f} = 200 + \frac{5 - 3}{3} = 200 + 0.66 = 200.66$

### **THE COLLEGE...**

Pratya Swami RamasandTeerth established "Nanded Education Society" in 1950 for catalyzing educational revolution in backward region of this Maharashtra. N.E.S. Science College, a single faculty college of Nanded Education Society is one of the premier institution imparting quality education to the students of this region since last 67 years. Swami in his vision of society emphasized the incorporation of spirit of enlightened and responsible citizenship in youth, essential for secular democratic India. The college is always poised to offer emerging contemporary education to the learners to fulfil the need of society as well as to meet global challenges. This institution has been on the forefront in pursuit of academic excellence and has attained potential for excellence (CPE) status from UGC. The college is DST-FIST sponsored and recently awarded as BEST COLLEGE AWARD by Swami RamasandTeerthMaharashtra University, Nanded.

The main objective and mission of college is overall development of students in all respect like academic, physical, mental, spiritual and moral to build up good citizen for the Republic of India. The college has lush green campus of 45 acres of land for curricular and co-curricular activities for stakeholders. The college offers 15 programs at UG level and 30-subject combinations. To keep pace with the advancement and diversification in the field of science and technology some applied subjects like Integrated Computer Science, Biotechnology at UG, M.Sc. Biotechnology, and Herbal Medicine at PG level have been introduced.

#### **Internal Quality Assurance Cell (IQAC):**

The Internal Quality Assurance Cell (IQAC) is a Self-regulated significant administrative body of the institution and is responsible for overall developing a system for conscious, consistent and sustenance with Continuous Improvement of quality and achieving academic excellence.

IQAC is maintaining quality standards in teaching, learning and evaluation and the present research, is therefore determines the exact status and functioning of IQAC and

its outcomes. The IQAC ensures the effective implementation of quality initiatives through continuous reviews and periodic meetings, working out planned interventional strategies. The IQAC works towards attaining excellence in all academic and administrative endeavors of the institution.

The IQAC performs the post-accreditation period, and channelizes its efforts and measures towards promoting the holistic academic excellence including the peer committee recommendations. Enhance IQAC under the Chairmanship of the Principal with heads of academic and administrative units and distinguished educationists and representatives of local management strives hard to enhance the quality aspects of the college.

#### **About the FDP**

Intellectual Property Rights (IPRs) is concerned with the protection of tangible and intangible property. It provides material awards and recognition to the inventors and contributors for their investment. Hence, it enhances motivation to disseminate scientific and technological information which in turn stimulates research and development for improvement of the quality of life.

The economic functioning of IPR can be thought of as minimization of transaction costs (search, bargain, and enforcement) and the optimization of time to fruition and avoidance of duplication. One can agree that the first best IPR policies are not only to minimize the transaction costs and conflict of interests but they provide incentives to invest on innovation which in turn maximizes wealth of a nation.

#### **THE COLLEGE...**

Poojya Swami Ramanand Teerth established "Nanded Education Society" in 1950 for catalyzing educational revolution in backward region of this Maharashtra. N.E.S. Science College, a single faculty college of Nanded Education Society is one of the premier institution imparting quality education to the students of this region since last 67 years. Swamiji in his vision of society emphasized the incorporation of spirit of enlightened and responsible citizenship in youth, essential for secular democratic India. The college is always poised to offer emerging contemporary education to the learners to fulfill the need of society as well as to meet global challenges. This institution has been on the forefront in pursuit of academic excellence and has attained potential for excellence (CPE) status from UGC. The college is DST-FIST sponsored and recently awarded as BEST COLLEGE AWARD by Swami Ramanand Teerth Maharashtra University, Nanded.

The main objective and mission of college is overall development of students in all respect like academic, physical, mental, spiritual and moral to build up good citizen for the Republic of India. The college has lush green campus of 45 acres of land for curricular and co-curricular activities for stakeholders. The college offers 15 programs at UG level and 30-subject combinations. To keep pace with the advancement and diversification in the field of science and technology some applied subjects like Integrated Computer Science, Biotechnology at UG, M.Sc. Biotechnology; and Herbal Medicine at PG level have been introduced.

#### **THE DEPARTMENT...**

Department of Computer Science & IT is a leading department of this college, which was started in 1995. The department is successfully running different courses since last 20 years with progressive results. The department is a Self-financing department. It imparts academic programs at UG level and PG level. The department offers B.Sc. (Computer Science) at UG level as a one of the optional subject and M.Sc. (Computer Science) The department caters the need of the corporate sector and academia and successfully meets the challenges of day to day advancements in the curriculum and technologies. The department has well qualified teaching faculty. The faculty members are engaged in research and developments in recent trends of the IT industry. The faculty members have published research papers in various international and national journal, published book / book chapter, presented papers in various national and international conferences. The Faculty members employ ICT teaching aids to enhance teaching learning experience.

### THE COURSE...

Web Development is developing a website, for this an essential comprehension of HTML, CSS, and JavaScript is need as perquisite. As HTML and CSS, are the basic designing tools, which could to figure out how to utilize Maps, Fonts and icons in HTML, on other hand JavaScript side, permit how to get to the HTML DOM. You should to likewise figure out how to utilize AJAX and JSON for making server demands. Responsive Web Design is utilized in a wide range of present day web improvement. On the CSS side you might pick a system for responsive website composition: Bootstrap/Material Design/W3.CSS On the JavaScript side you should to learn at any rate one present day framework:React.js/Angular.js/Vue.js/W3.JS. Possibly the prevalence of jQuery has passed the top, yet it is as yet the most utilized JavaScript system.

On the course force on developing the website by different ways 1.Template 2.PHP programming 3.Wordpress tools.

The duration of the workshop course was designed considering the number of modules covered during the course. The average time duration for the workshop course was conducted for 7 days starting from 11.00am to 4.00pm including breaks.

#### Why Web Development?

##### 1. Easy to Learn

Web development is easy to learn, even if you have no more skills of programming. It is one of the essential benefits of learning web development.

##### 2. Free of Cost

Since web development is an open source & online tools are available it's completely free of cost. Web site is available for free to every user, and the community of web developer's gives excellent technical support.

##### 3. Supports All of the Leading Databases

Besides, web designing supports all of the leading databases, including MySQL, ODBC, SQLite and more. It is the main advantage of using web development.

##### 4. Platform Independent

Websites runs on just about each platform available allowing it to operate across different operating systems.

##### 5. Bright Career in the web Development.

The web programmers have bright future in the field and its very good tool for the freelancers. They can easily make living out of it and web developers have very lucrative future ahead.

We strongly believe and recommended this learning process as it yields better result than the usual workshop that demands more time, however it is very simple & easy to understand by the students along with their academic.

- Full-day (5 hours lecture session with one break of minimum 20 minutes each).
- These were completely practical oriented session.
- Real word example and it implementation.
- Variety of real world exercises.
- High quality material taught by the expert
- The workshop complete code is available at <https://github.com/mohaseena/workshop>
- <https://github.com> Search workshop on web development by mohaseena

There was a **question and answers session** also after the lecture or mid practical session - students can pose direct questions from our trainers about their queries. The duration for the question and answer session would be of half hour in the last of each session.

The main purpose of this "Hands-on Training on Web Development" is to create awareness and enrich knowledge among students, faculty and society in the area web development.

Following modules will be covered from the students as per there speed and grasping power between 1st to 5th day. We will ensure that, each and every basic concept should practically understand by the student and student should be able to do concept in these task. **The total strength of students was 28. Out of which 13 students were from Science College, 66 students were from Matsuri Pratishthan Engineering College, 04 from ITM College & 03 Students from Yashwant Mahavidyalaya College.**

One or two days were completely dedicated for practical implementation of Workshop on web technology.

**Report on One Day Workshop on "Understanding Intellectual Property Right(IPR)"**

Science College Internal Quality Assurance Cell (IQAC) organized One Day Workshop on "Understanding Intellectual Property Right" on 05/04/2019 in the presence of Mrs. Shyamal Parki, Secretary, Nanded Education Society, Nanded. In this workshop Dr. M. M. V. Belg, Associate Professor, Yeshwantrao Chavan Pratishthan, Nanded delivered detailed lecture on Intellectual Property Right.

Dr. M. M. Belg, gave a brief introduction on IPR and explained the various related terms such as patents, types of property such as tangible or intangible, copyrights etc. The essential factors of the workshop are intellectual property, intellectual property right and patent. Intellectual property is category of property that includes intangible creations of the human intellect and primarily encompasses copyrights, patents and trademarks. Intellectual property rights(IPR) is appealing to or engaging the intellect which the person owns; the possession or possession of a particular owner adherence or obedience to moral and legal principles and authority. "A patent is an exclusive right granted for an invention. The limited monopoly right granted by the state enables an inventor to prohibit another person from manufacturing, using or selling the patented product or from using the patented process, without permission. The time period of patent is about 20 years". Dr. M. M. Belg explained. The main purpose of intellectual property rights is to encourage the creation of a wide variety of intellectual goods. Intellectual property rights refers to the general term for the assignment of property rights through patents, copyrights and trademarks. These property rights allow the holder to exercise a monopoly on the use of the item for a specified period.

The Workshop created great impact on how IPR restricts copying others ideas and how this will help the development of new ideas for the betterment of the society. All the faculty members also given a platform to discuss how small innovations influence societies at large and how they should indulge in innovating and patenting ideas that will be useful for all the classes of individuals in the society.

Total 25 faculty members were attended this workshop. Also Dr. D. U. Ganai aware to the faculty about IPR.

One Day Seminar On  
"Business Opportunities in Small Scale Plastic and Chemical  
Industries"

On 13<sup>th</sup> January 2019 N.E.S. Science College Nanded arranged a seminar on "Business opportunities in small scale industries". The resource person for this seminar is Mrs. Sarika Pande. The event is inaugurated by Dr. Laxman Shinde (Vice-Principal, Science College Nanded). The president of program is Dr. D.D. Gawai (Principal, Science College Nanded). In his welcome address he told the objectives of understanding small-scale plastic and chemical industries, important roles in our daily lives, ranging from manufacturing and construction to healthcare and agriculture. Other associated faculty members with 63 students taken the benefit of this session.

Mrs. Sarika Pande speak very detailed about small-scale plastic and chemical industries offer a diverse range of business opportunities, from recycling and manufacturing to specialty chemicals and waste management solutions. These sectors play a crucial role in our daily lives, ranging from manufacturing and construction to healthcare and agriculture. Despite their vast importance, opportunities abound for small-scale enterprises to thrive in these industries. Small-scale chemical industries can focus on formulating specialty chemicals for various purposes such as adhesives, coatings, detergents, and agrochemicals. She also elaborated with growing environmental concerns, there's a significant demand for recycled plastic products. Starting a small-scale plastic recycling plant can be a big opportunity. This involves collecting plastic waste, sorting, cleaning, shredding, and then selling it to manufacturers for producing new plastic products. In fact, the session was very much useful. It was very innovative and the students shared innovative technologies which they have come across and discussed various business ideas on plastic and chemical industries.

"Self Management, How To Succeed as a Women  
Entrepreneur"

In N.E.S. Science College Nanded a seminar on "Self Management, How To Succeed as a Women Entrepreneur" was arranged on 25<sup>th</sup> July 2018. The resource person for the session is Mrs. Vibhavi Kulkarni Head, English Department, Science College Nanded. The programme is inaugurated by the president of the function Dr. D.L. Gawad/Principal, Science College Nanded. He spoke about motive of session as mainly for the young women i.e. the "how to succeed as a women entrepreneur" programme, through which the young women will get opportunity to build their business models into ventures. Now-a-days women are empowered and free enough to cherish their own dreams as entrepreneurs. He also noted that concept of this Workshop is to encourage the young women minds to become self-reliant and join the transmission of the Society.

Mrs. Vibhavi Kulkarni stated, "Entrepreneurship Development is the process of improving the skills and knowledge of entrepreneurs through various training and classroom programs." She elaborated more on the concept of "value proposition" by giving various examples in this context. She emphasized that three things are very important to make a business engaging and succeed, which are Innovation, Creativity and Capital. It is of utmost importance for a women entrepreneur to strike a balance between her personal and professional life. She also emphasized upon the importance of Knowledge, Evaluation and Devotion, in order to become a successful entrepreneur. It was a very interactive session where he tried to engage the audience and gave guidance in how to adopt entrepreneurship as a career. The guest lecture was very helpful and interesting for the participating students and faculty. More than 65 women students from various management colleges actively and enthusiastically participated in this seminar.
