A pivotal One-Day University Level Workshop on De-addiction was held at Science College, Nanded, bringing together experts and students to address the pressing issue of drug addiction. The workshop was organized by the NSS unit of Science College Nanded, in collaboration with the NSS Cell of the Government of Maharashtra, Mumbai, and the NSS Regional Directorate, Pune.

The workshop was graced by the presence of several dignitaries. CA Dr. Pravin Patil chaired the session as the president of the event. The Chief Guest was D. Pawar, setting the stage for a day of insightful discussions.

The core of the workshop featured two significant lectures. The first, presented by Dr. Shivraj Bokade, focused on the impacts of drug addiction on individuals and society. Dr. Bokade's talk shed light on the psychological, social, and economic ramifications of substance abuse, emphasizing the need for comprehensive strategies to combat this issue.

Following this, Dr. Deepak Hajari discussed various types of drugs, elaborating on their effects, the mechanics of addiction, and the challenges involved in overcoming dependency. His presentation was both educational and alarming, underscoring the complexities of drug addiction.

The workshop served as a vital platform for education and dialogue, fostering a deeper understanding among students about the seriousness of drug addiction and the collective efforts required to address it. The collaboration between various NSS units underscored the importance of unified efforts in the fight against drug abuse, aiming to mold responsible and aware individuals who can contribute positively to society.
