8.10 Value Education Lecture Series in Reading Room Library: This is the new practice introduced during this academic year. Need of this practice was realized after studying the student's behavior and tendency in the college. Also, it was found that students of science faculty always remain busy in performing practical's and attending theory classes and hence they do not get enough time to sit and read books of value education in reading room and also they do not prefer to borrow such books for home reading. Taking into consideration this situation the idea of value education was crept in the mind and thus this new practice has been introduced with the title 'Value Education Lecture in Series in Reading Room Library from Dec. 2018. In the beginning it was planned that the two lectures will be organized in each month on I and III Saturday of each month. But duet to the day-to-day activities of the other departments and exam schedule it was not happened exactly as per the plan. As per the plan and based on the situation total four lectures were organized under this series.

4. Subscriptions of e-Consortia's:

Principal N E.S. Science College. Nanded

- 4.1 N-LIST Database: This was the 10th year of N-List consortia subscription. N-List provides access to 6000+ e-Journals and 135000 e-books. (31/5/2020). This year there were 741 members including staff and student registered for this database. Though it has been always remained as a best source of knowledge for science professionals particularly in science field but in reality this year too use remain very poor due to lack of internet connectivity.
- **4.2 DELNET Database:** This was the 4rd year of DELNET membership. DELNET provides access to databases of basic and applied sciences. Besides it also issues books though Inter Lib Loan. This year as per the demand of our users two reference books of mathematics were borrowed for M. Sc. Course on Interlibrary Loan.
- **4.3 Non-conventional Documents (CDs /DVDs)**:- We also have collection of 295 CDs and DVDs in the library. This year experience shows that no user preferred use of these off-line eresources.

5. Users of Different sections:-

During this academic year main library facilities were used for 229 days and Reading Room for 176 (as and on 25/4/2018) days. Library has maintained separate user registers for various section to keep statistical data of users. User details are shown as under.

Considering busy hours of users, rules to enter their names in reading room register is not made compulsory for students who sits for short duration and study their own notes in Reading Room Library.

Principal N E.S.Science College, Nanded 5.1 Usage of N-list: This year also because of frequent lack of connectivity which we are using from BSNL use of N-List consortia remained poor. Work of providing N--list Membership to students from library hampered time to time. Hence this academic year we could not reach successfully to M. Sc. Students. Even after regular circulation of notices to concern departments it could not realized. Besides faculty members also not showing supportive approach towards N-List resources. This matter brought to the notice of the principal and requested him to provide fiber Optics Connection which they are using for Mathematics Dept and Office.

Authentic usage statistics accessed from N-list site for this year has been shown in following mentioned table.

4. Subscriptions of e-Consortia's:

- 4.1 N-LIST Database: This was the 11th year of N-List consortia subscription. N-List provides access to 6000+ e-Journals and 199500 + e-books and 600,000 through NDL. (31/5/2020). This year there were 725 members including staff and student registered for this database but they have not remained active members due to impact of COVID-19. Though it has been always remained as a best source of knowledge for science professionals particularly in science field.
- **4.2 DELNET Database:** This was the 5rd year of DELNET membership. DELNET provides access to databases of basic and applied sciences. Besides it also issues books though Inter Lib Loan. From this year DELNET has become more user friendly and besides this DELNET has provided Full Text Journals under separate head Arts, Commerce and Science discipline. This shows promotion of use of e-Resources to the user of non-agricultural colleges under UGC. I feel proud and happy as they have fulfilled our demand. I had sent requested letter to DELNET.

Principal N E.S.Science College, Nanded 4.3 Non-conventional Documents (CDs /DVDs): - We also have collection of 295 CDs and DVDs in the library. This year experience shows that no user preferred use of these off-line eresources.

5. Users of Different sections: -

This year due to COVID-19 users (students and faculty both) could not visited library and reading room. That is why user records of different sections not mentioned in the library. Though library was opened throughout the year hardly few faculty members visited library for access of reference books.

5.1 Usage of E-Resources: As the part of library services, our attachments towards library and users we gave priority to promote use of N-List and DELNET Database. We found both databases are user friendly while using and are worthwhile. They have become effective tool for access of lot of e-Resources specially during this difficult period of COVID -19. Authentic usage statistics accessed from N-list site for this year has been shown in following mentioned table.

5. Reference Services

6 Information services

5. OPAC

8 N-List (INFLIBNET)

9. DELNET

10 Back Volume Section services.

11. Photocopying services

12 Night Reading Room Library services

13. Displaying of Current articles and New Paper Clipping Services

14. Services to Genius Batch

15. Services to Management authority and sisters' institutes.

16. Services to B. Lib & M. Lib. Sc. students.

17. Services to outsider visitors. 18. Special services to advance learners

7. e-Services: Library staff constantly encourage users to make optimum use of e-resources and e-services among students and faculty. We also inform readers to create effective awareness about relevant sites -Directory of Open Access Journals (DOAJ), Directory of Open Access Books (DOAB), Research Gate, NCBI, Shodhganga to access Ph.D Theses and shodhshindu of (INFLIBNET), use of Scirus search engine www.scirus.com etc..

Besides this library helps to P. G. Students, Research scholars and faculty members by providing information about how to write references in different styles such as American Psychological Institute (APA) Style, Harvard Style and British Style etc We have noticed that

this year due the impact of COVID-19 users have used maximum e-Resources than the printed books and periodicals. One more thing regarding subscribed databases this year also it was observed that users prefer Google Site than the N-List and DELNET database. As a librarian it is my personal experience that both these databases are very useful standard, relevant, updated, syllabus related and user friendly. Still faculty and students are not taking initiative in using these databases. Hence, I personally feel that faculty should take initiative for access and encourage students to access.

- 8. Best practices: Library has initiated few best practices since last 10 years. Basic purpose of these practices is to inculcate reading habits among the students, develop friendly relations and inspire them to make optimum use of library literature. Following best practices have been introduced in the library.
- 8.1 Students Help corner.
- 8.2 Certificates for Best Users.
- 8.3 Participation of students in books collection development.
- 8.4 SDI services of important topics/articles.
- 8.5 Healthy relations with retired staff.
- 8.6 Displaying of G K on OPAC Screen (w.e.f.2013-14):
- 8.7 Extra facilities for scholarly students (2016-17):
- 8.8 Summer Library (2016-17): This best practice was introduced from last two years. This year also due to COVID -19 (Corona) this practice was stopped.
- 9. Library Training & Consultancy Services: Library provides consultancy/training services to need based library staff and library science students after completion their degrees as per their demand. No student joined this year as trainee due to COVID-19.
- **9.1 Help Received:** We also get technical support whenever required from Dr. Arun Hamberde, Senior Library Asst. KRC, SRTMU Nanded, Shri. U. S. Patki, and Duve, Dept of Comp Sci. and Shri. Ganesh Ghatole. Thanks for their kind help and attachment towards library.
- 10. Library Advisory Committee: -This academic year too Lib Advisory Committee was headed by the Principal, Dr. D.U. Gawai as the Chairman, Librarian Dr. S. L. Jadhav, Convenor and Committee Members Vice-Principal, Shri. M. A. Joshi, Dr. V. R. Marathe, Dr. S. V. Wanve, Shri. V. S. Kulkarni, and Shri. R. A. Muneshwar.
- 11. Library visitors: This year due to COVID -19 no visit register in the library. Faculty members visited library for reference purpose very rarely.

- 17. Services to outsider visitors. 18. Special services to advance learners
- 7. e-Services: Library staff constantly encourage users to make optimum use of e-resources and e-services among students and faculty. We also inform readers to create effective awareness about relevant sites -Directory of Open Access Journals (DOAJ), Directory of Open Access Books (DOAB), Research Gate, NCBI, Shodhganga to access Ph.D Theses and shodhshindu of (INFLIBNET), use of Scirus search engine www.scirus.com etc..

Besides this library helps to P. G. Students, Research scholars and faculty members by providing information about how to write references in different styles such as American Psychological Institute (APA) Style, Harvard Style and British Style etc We have noticed that this year due the impact of COVID-19 users have used maximum e-Resources than the printed books and periodicals. One more thing regarding subscribed databases this year also it was observed that users prefer Google Site than the N-List and DELNET database. As a librarian it is my personal experience that both these databases are very useful standard, relevant, updated, syllabus related and user friendly. Still faculty and students are not taking initiative in using these databases. Hence, I personally feel that faculty should take initiative for access and encourage students to access.

- 8. Best practices: Library has initiated few best practices since last 10 years. Basic purpose of these practices is to inculcate reading habits among the students, develop friendly relations and inspire them to make optimum use of library literature. Following best practices have been introduced in the library.
- 8.1 Students Help corner.
- 8.2 Participation of students in books collection development.
- 8.4 SDI services of important topics/articles.
- 8.5 Healthy relations with retired staff.
- 8.6 Displaying of G K on OPAC Screen (w.e.f.2013-14):

database Though it has been always remained as a best source of knowledge for science professionals particularly in science field.

- 4.2 **DELNET Database:** This was the 7th year of DELNET membership. DELNET provides access to databases of basic and applied sciences. Besides it also issues books though Inter Lib Loan. From this year DELNET has become more user friendly and besides this DELNET has provided Full Text Journals under separate head Arts, Commerce and Science discipline. This shows promotion of use of e-Resources to the user of non-agricultural colleges under UGC. I feel proud and happy as they have fulfilled our demand. I had sent requested letter to DELNET.
- 4.3 CDs /DVDs: We also have collection of 295 CDs and DVDs in the library. These years' experience too indicates that no user preferred use of these off-line e-resources.

5. Users of Different sections: -

This year main library was opened for 212 days for users. It was noticed that overall visit frequency of users came down due to the confusion, fear and frequent changes of Govt. rules and regulations. This year too library could not maintain different separate record. As compare to previous years visit frequency was increased.

S. N.	Section	Visited Number of Times 1/6/2022 to 31/5/2023

5.1 Usage of E-Resources: As the part of library services, our attachments towards library and users we gave priority to promote use of N-List and DELNET Database. We found both databases are user friendly while using and are worthwhile. They have become effective tool for access of lot of e-Resources specially during this difficult period of COVID -19. Authentic usage statistics accessed from N-list site for this year has been shown in following mentioned table.

4. Subscriptions of e-Consortia's:

- 4.1 N-LIST Database: This was the 13th year of N-List consortia subscription. N-List provides access to 6000+ e-Journals and 155524. it has been always remained as a best source of knowledge for science professionals particularly in science field.
- **4.2 DELNET Database:** This was the 8th year of DELNET membership. DELNET provides access to databases of basic and applied sciences. Besides it also issues books though Inter Lib Loan. From this year DELNET has become more user friendly and besides this DELNET has provided Full Text Journals under separate head Arts, Commerce and Science discipline. This shows promotion of use of e-Resources to the user of non-agricultural colleges under UGC. I feel proud and happy as they have fulfilled our demand. I had sent requested letter to DELNET.
- **4.3 CDs /DVDs:** We also have collection of 295 CDs and DVDs in the library. This years' experience too indicates that no user preferred use of these off-line e-resources.

5. Users of Different sections: -

This year main library was opened for 300 days for users. It was noticed that overall visit frequency of users came down due to the confusion, fear and frequent changes of Govt. rules and regulations. This year too library could not maintain different separate record. As compare to previous years visit frequency was increased.

5.1 Usage of E-Resources: As the part of library services, our attachments towards library and users we gave priority to promote use of N-List and DELNET Database. We found both databases are user friendly while using and are worthwhile. Authentic usage statistics accessed from N-list site for this year has been shown in following mentioned table.

5.2 N-List Users:

6. Services: -

1 Information Literacy 2 Home Lending Services

3. Book Bank Scheme 4 Reading Room Services

5. Reference Services 6 Information services

4. OPAC 8 N-List (INFLIBNET)

9. DELNET 10 Back Volume Section services.

11. Photocopying services 12 Night Reading Room Library services

13. Displaying of Current articles and New Paper Clipping Services

14. Services to Genius Batch

15. Services to Management authority and sisters' institutes.

16. Services to B. Lib & M. Lib. Sc. students.

17. Services to outsider visitors. 18. Extra facilties to advance learners

7. e-Services: Library staff constantly encourage users to make optimum use of e-resources and e-services among students and faculty. We also inform readers to create effective awareness about relevant sites -Directory of Open Access Journals (DOAJ), Directory of Open Access Books (DOAB), Research Gate, NCBI, Shodhganga to access Ph.D Theses and shodhshindu of (INFLIBNET), use of Scirus search engine www.scirus.com etc..

One thing thing regarding subscribed databases this year also it was observed that users prefer Google Site than the N-List and DELNET database. As a librarian it is my personal

experience that both these databases are very useful standard, relevant, updated, syllabus related and user friendly. Still faculty and students are not taking initiative in using these databases. Hence, I personally feel that faculty should take initiative for access and encourage students to access.

- Best practices: Library has initiated few best practices since last years. Basic purpose of 8. these practices is to inculcate reading habits among the students, develop friendly relations and inspire them to make optimum use of library literature. Following best practices have been introduced in the library.
- Students Help corner. 8.1
- Participation of students in books collection development. 8.2
- SDI services of important topics/articles. 8.3
- Healthy relations with retired staff. 8.4
- Displaying of G K on OPAC Screen (w.e.f.2013-14): 8.5
- Extra facilities for scholarly students (2016-17): 8.6
- 9. Help Received: We also get technical support whenever required from Shri. U. S. Patki, and. Duve, Dept of Comp Sci. and Shri. Ganesh Ghatole. We also received supports and Thanks for their kind help and attachment towards library.
- 10. Library Advisory Committee: -This academic year too Lib Advisory Committee was headed by the Principal, Dr. D.U. Gawai as the Chairman, and Committee Members -Dr. A. S. Bansode, Dr. V. R. Marathe, Dr. R. A. Muneshwar, Dr. S. V. Wanve, Shri. V. S. Thosre, Shri. S. F. Gore, Dr. Mrs. S. D. Wadje

11. Library visitors:

12. Library staff: This year, Dr. Sutkar Prashant took responsibility as the In-Charge of library as Dr. S. L. Jadhav, retired on 31st July, 2022. Shri. S. R. Pande Technical Sec. Data feeding of Senior College Library Books Circulation to the staff, Periodical & Reference Section. Shri. Mahesh Mohanrao Dongarkar helped me in Technical Sec. Data feeding of Senior College Library Books Circulation to the staff, Periodical & Reference Section. Mrs. Savita Gangwal & Shri.
